## A WORD ABOUT GRADING

Grading is an art and not a science and opinions of grade for a particular item can and will vary. We urge all bidders to examine lots they may wish to bid on prior to the sale, either in person or through their own agent. Grades stated are the opinion of the catalogue given as a convenience to bidders to assist in identifying lots they may wish to examine themselves.

## HOW TO BID BY MAIL

Bid as much as you are willing to pay for the lot you are interested in. Lots will be opened to floor bidders at approximately 5% over the second highest mail bid. For example:

On lot 777 you bid \$325. If the next highest mail bid is \$260 the lot will be opened to floor bidders at \$275. If no one bids higher (\$300) from the floor you will be awarded the lot at \$275. If we receive a bid of \$300 from the floor, the book (your bid) will bid \$325 for you. If the floor action stops here you will be awarded the lot at your full bid of \$325. Should the bidding proceed past \$325 the book (you) is out and a floor bidder will be awarded the lot.

In this manner you participate on an equal basis with floor bidders, and have an equal opportunity to obtain your lots well below your top bids.

## A WORD ABOUT ESTIMATES

The estimates in this catalogue are guides to the bidders. We have tried to make them as accurate as possible. They are not intentionally low to allow us to claim bragging privileges as to how much over the estimate we obtained, nor are they high in an attempt to lure the unwary into bidding more than market. While it is a certainty that some items will bring somewhat under estimate, it is equally certain that some items will sell for over estimate. We would expect that the total estimates in this catalog will be within 10%, one way or the other, of the total prices realized.

## SPECIAL THANKS

An undertaking of this size requires the informal assistance of a great number of collector and dealer friends. We wish to thank everyone who called on their specialized area of expertise to assist us where we were lacking.

In particular we would like to thank Mr. Martin Gengerke of Stack's, who allowed us to access his pioneering research in both Large Type and Nationals. His voluminous computer files are helping to transform the currency market from pricing based on hearsay to prices based on objective research.

Thank you, friends and colleagues,  
Allen, Kevin and Len

# THE UNIVERSITY OF MISSOURI

We are honored to have been selected by the University of Missouri to disperse selections from its currency holdings to the collecting fraternity. There could be no more suitable venue for this undertaking than the National and World Paper Money Convention in St. Louis, the largest city in the University system's home state.

## University of Missouri System

Since its founding in 1839, the University of Missouri System has unfolded into a network of programs serving Missourians border-to-border through teaching, research, extension and public service. Its four campuses in Columbia, Kansas City, Rolla and St. Louis now enroll more than 57,000 students, making the institution one of the nation's largest.

The first publicly supported institution of higher education to be established in the Louisiana Purchase territory was shaped in accordance with ideals of Thomas Jefferson, who championed public higher education in this country. Today, Jefferson's name is associated with awards, groups and facilities of the university.

The university remained a single campus until the University of Missouri School of Mines and Metallurgy was established at Rolla in 1870, the same year a College of Agriculture was added at Columbia. At that time, the university also assumed land-grant responsibilities of offering higher education opportunity for all citizens. In 1963, the state added the University of Kansas City to the university system and a new campus was started in St. Louis, completing the present four campus arrangement.

## University of Missouri-Columbia

Authorized only 18 years after the Missouri Territory became a state, the University of Missouri-Columbia is the oldest state university west of the Mississippi River and the oldest in the Louisiana Purchase Territory. The university, created by the Geyer Act of the Tenth General Assembly of 1839, was designed according to Thomas Jefferson's pattern for the University of Virginia.

The first president of the University of Missouri, John Hiram Lathrop, took office in 1841. Columbia College, a private institution purchased by the university, housed classes until July 1843 when they were moved to Academic Hall, the first building constructed for the university.

Federal troops' occupation of the university forced its closing for a time in 1862. Also in 1862 the signing into law of the land-grant college act, commonly known as the Morrill Act, gave the university 330,000 acres of land, with proceeds being used for the development of instruction and instructional facilities in agriculture and the mechanic arts. Through this assistance both the College of Agriculture in Columbia and the School of Mines and Metallurgy in Rolla were established. The Morrill Act brought great encouragement to the university since, up to 1867, no state funds had been appropriated for its operation.

In 1892, fire destroyed Academic Hall, leaving only its six stately ionic columns, the best-known symbol of the Columbia campus today. The present administration building, Jesse Hall, was completed in 1895.

## University of Missouri-Kansas City

The history of the University of Missouri-Kansas City goes back to the 1800s. Three of the professional schools now a part of the university were founded in the 19th century—the School of Dentistry, 1881; the School of Pharmacy, 1895; and the School of Law, 1895. The Conservatory of Music was founded a few years later in 1906. Around that time, community leaders were discussing the need for a university in Kansas City.

By the 1920s, two groups were planning for such a university. One group wanted to establish a Methodist-affiliated Lincoln and Lee University. The other group wanted a private University of Kansas City. Eventually, the two groups united and in 1929 the University of Kansas City was chartered.

The next year, William Volker, Kansas City manufacturer and philanthropist, gave the newly chartered institution 40 acres purchased from the William Rockhill Nelson estate. In 1931, Volker donated the funds to buy the eight-acre site of the Walter S. Dickey mansion. It was in this remodeled building that the University of Kansas City began its first academic year on October 2, 1933, with 264 students and 17 faculty members.

The first commencement at the University of Kansas City was held June 9, 1936, with 80 graduates.

In 1963, the University of Kansas City merged into the University of Missouri System, giving birth to the University of Missouri-Kansas City. In 1963 the enrollment was 4,394; by 1991 it had risen to 11,470 students.

In 1974, the Harry S. Truman campus of UMKC was established in Independence, as the University of Missouri System, responding to a request from the governor and the Missouri General Assembly, took a major step toward providing citizens in eastern Jackson County with greater access to quality public higher education. The Coordinated Engineering Program and other selected programs and courses are available on the Truman campus, which is located next to the Harry S. Truman Memorial Library.

## University of Missouri-Rolla

The University of Missouri School of Mines and Metallurgy, the institution that in 1964 would become the University of Missouri-Rolla, was founded in 1870—the first technological institution west of the Mississippi, and one of the first in the nation. A product of the Morrill Act of 1862 and the land-grant movement of the late nineteenth century, MSM was Missouri's response to the acute need for scientific and practical education in the developing nation.

Early curricula were focused on the state's mining industry and its immediate technological needs but by the end of the

### ***THE COLUMNS — A University of Missouri Columbia Campus Landmark***

1920s, courses of study included mining, civil, mechanical, electrical, and chemical engineering and chemistry, metallurgy, mathematics, physics, and geology.

The slow upward trend in enrollment of the first 50 years accelerated in the 1920s, as the need for engineering and scientific education grew. Enrollment in 1920 was 393. By 1970, enrollment had risen to 5,500. There have been fluctuations since 1970, and total on-campus enrollment for fall 1990 was 4,826. Off-campus enrollment—at the Engineering Education Center in St. Louis—was 573.

Graduate education and research began to assume greater emphasis on the campus in the 1950s, as the nation emerged from the Second World War as the economic and scientific leader of the free world. Missouri saw the need to strengthen its technological infrastructure and the School of Mines and Metallurgy became increasingly a technological university, one whose impact reached beyond Missouri and the nation.

In 1964, recognizing its expanded nature and role, the name of the institution was changed to the University of Missouri at Rolla, soon to be altered to University of Missouri-Rolla. UMR, as it quickly came to be called, was one of four campuses of the newly reorganized University of Missouri.

UMR annually ranks among the top 15 in the nation in the number of bachelor's degrees awarded in engineering. In any given year, more than half of all engineers educated in Missouri receive their degrees at UMR.

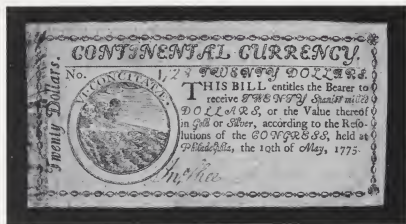

### **University of Missouri-St. Louis**

In the 1960s, a movement began across the country that marked the most significant change in higher education in the 20th century. That movement was toward the creation of public universities located within metropolitan centers. The University of Missouri-St. Louis is a product of that movement. UMSL, the fourth campus of the University of Missouri, was established in 1963 as a bold experiment in urban higher education. In a brief period of 28 years, the notion of a major public institution serving the St. Louis area has evolved into the state's third largest public university.

The largest university serving St. Louis, UMSL has become the third largest university in the state. Located on the site of a former country club, UMSL has grown from a faculty of 50 in 1963 to more than 962 full- and part-time faculty committed to the future of the St. Louis area through teaching, research and service. Student enrollment has steadily increased from 660 in 1963 to more than 15,000. The numbers have changed, but not the spirit. Still paramount in the minds of faculty and students is preparation of new talent to contribute to the social, intellectual and economic health of Missouri's largest metropolitan area. In fact, UMSL's alumni ranks have grown to include more than 35,000 graduates, 85 percent of whom still live and work in the St. Louis area.

**CONTINENTAL CURRENCY**

- 1 Continental May 10, 1775 \$20 Extra Fine. This is the rare "long" note with the multicolor marbled left edge. The margins are much larger than normal and the printing quality is excellent. The right edge has been expertly restored with a virtually undetectable restoration. (1500-up)

- 2 Continental November 29, 1775 \$7 Choice About New. But for an extremely light center bend, this would be a Gem Continental. The printing is sharp and the margins are excellent. (100-up)

- 3 Continental February 17, 1776 \$2/3 Gem New. A truly Gem example of a beautiful and popular note, well margined and very bright with a strong red signature and exceptionally sharp printing which shows every line of the mind your business vignette and every letter of every state name in the chain links on the back. (400-up)

- 4 Continental. A group of February 17, 1776 Fractional Issues: \$1/6 (2), \$1/3 (3), \$1/2 (4) and \$2/3 (2). All 10 notes grade Very Good at best and three of them are damaged. Ideal flea market stock where notes like this tend to sell for multiples of their numismatic worth. (10 pieces) (150-up)
- 5 Three Fractional Continentals. All from the 2/17/1776 issue: \$1/3 Very Fine; \$1/3 Choice Very Fine; and \$1/3 About New but with a pinhole and 3 glue spots. The back design of the About New piece is particularly sharp and pleasing. (3 pieces) (175-up)
- 6 Continental 2/17/1776 \$1 Extra Fine. An extremely well margined example of this scarce denomination, which is better looking than most uncirculated notes. (80-up)
- 7 Continental February 17, 1776 \$3 Choice New. Red and brown signatures are clean, bright and sharp as is the printing quality on this exceptional Continental. (150-up)
- 8 Continental February 17, 1776 \$3 Choice New. Bold printing and better than average centering, although a bit close at left. Strong, dark signatures. (125-up)
- 9 Continental February 17, 1776 \$4 Very Choice New. A lovely note with nice centering and sharp corners. The paper is fresh and the printing quality is extremely sharp on both sides. (175-up)
- 10 Continental May 9, 1776 \$4 About New. Well margined and with an extremely Choice appearance. (75-up)

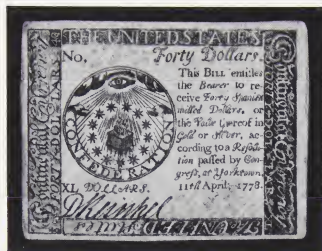

- 11 Continental May 9, 1776 \$8 Very Choice New. Bright paper and signatures with better than normal printing. (175-up)

- 12 Continental November 2, 1776 \$6 Gem New. A real beauty with exceptional margins, excellent centering on both sides, clean sharp printing, and unusually nice paper quality. The note is highlighted by the red pen signature of Benjamin Levy and may well be one of the finest known Levy notes. (300-up)

- 13 Continental November 2, 1776 \$8 Choice New. Unusually sharp printing and two strong signatures. (140-up)
- 14 Continental February 26, 1776 \$30 Choice New. This very good looking note from the Baltimore Issue has deep original embossing and better than average margins. (200-up)

- 15 Continental April 11, 1778 \$40 Choice About New Counterfeit. Clear and sharp printing. This is the counterfeit that caused the withdrawal of this issue. British sponsored counterfeiting was a form of economic warfare waged as part of the Crown's effort to defeat the Revolutionary forces. (250-up)

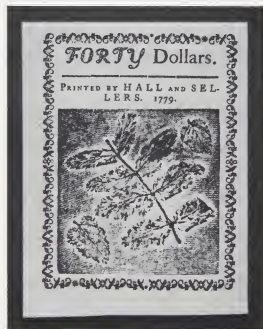

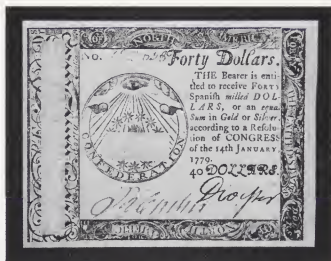

- 16 Continental September 26, 1778 \$7 Very Choice New. A near Gem example. Bright and well margined with strong signatures. (200-up)
- 17 Continental. September 26, 1778 \$30 New, January 14, 1779 \$35 New, and January 14, 1779 \$65 New. (3 pieces) (350-up)
- 18 Continental September 26, 1778 \$60 New. Choice but for two pinholes and a tiny spot. (125-up)

- 19 Continental Counterfeit Detector Note. A September 26, 1778 \$5 blue paper Counterfeit Detector. These were made for distribution from the actual plates to compare with genuine notes but were left unsigned and unnumbered. The blue paper was to prevent the notes from being fraudulently numbered and signed and placed in circulation. This Choice About New example with exceptional centering is one of the nicer ones we've seen. (150-up)

- 20 Continental January 14, 1779 \$40 Superb Gem New. As fine a Continental note as could exist. Flawless in every way with extra broad margins on all four sides, deep original embossing and the sharpest possible printing. There is not even a hint of a sheet fold which is usually found on these notes around the edges when they appear in high grade. A wonder note! (400-up)

- 21 **Continental January 14, 1779 \$50 Choice About New.** Better than average margins. (80-up)

- 22 **Continental January 14, 1779 \$55 Gem New.** An absolutely beautiful example of this unusual denomination which exists only in this issue. Even the emblem and the border cuts, which are almost always vague and indistinct are sharp and clear on this lovely example. (250-up)

- 23 **Continental January 14, 1779 \$80 About New.** (100-up)

- 24 **Continental.** Low grade mixed issues: 9 notes, 6 regular issue and 3 counterfeit detectors. The two best notes are a \$6 2/17/1776 in Fine and a \$50 9/26/1778 detector Very Fine but taped. The remaining notes are very low grade and/or damaged. Sold as is, no returns. (9 pieces) (100-up)

- 32 **Connecticut June 19, 1776 40s Gem New.** Slit cancelled but a perfect note in every other respect. Sharply printed and with far better than normal centering. (100-up)

- 33 **Connecticut (1799) Hartford and New Haven Turnpike 6c3mills New.** Printed in black ink and signed by H. Baldwin as President. These notes with their unusual use of mills in the denomination were used as toll tickets on what is now Route 91. (350-up)

- 34 **Connecticut (1799) Hartford and New Haven Turnpike 6c3mills Choice New.** Signed by Jas. Hillhouse as President and numbered for use at gate number one. These notes came printed in black ink, as was the previous lot, and blue ink, as is this lot. The combination of bold blue ink and bright red signature, along with the vignette of the one horse open sleigh, make this nice note particularly desirable. (450-up)

## DELAWARE

- 38 Delaware May 1, 1758 20s Fine. Beginning to split at both sides of the center fold but without tape or other impairments, this Ben Franklin note is far above average for the issue. (150-up)
- 39 Delaware June 1, 1759 20s Fine. Glue reinforced along its partially split center fold but with more detail than usually associated with this grade. The B. Franklin and the lion, along with the nature print, are clear and legible. (150-up)

- 68 New Jersey March 25, 1776 £3 Choice New. A lovely tri-color note sharply printed on both sides with exceptional color of ink, paper and signatures. (275-up)
- 69 New Jersey March 25, 1776 £3 Choice About New. A great looking tri-color note with strong signatures and wonderful ink color and sharpness. (200-up)

- 70 New Jersey March 25, 1776 £6 Gem New. A magnificent tri-color Jersey and the only scarce note from this common issue. Only 3,125 originally printed with just a handful surviving in this grade. Beautifully colored with three large and one smaller margin. David Rittenhouse, who was later to become the first director of the U.S. Mint, engraved the border design and worked his name into it in extremely small letters. This particular example has the heaviest original embossing that we have seen on this issue and the serial number and all three signatures are dark and bold. A wonderful piece of Colonial Currency and a miracle of survival. (550-up)

- 71 New Jersey March 25, 1776 £6 Choice Extra Fine. Far above average in eye appeal, the pretty tri-color note with just a touch of circulation would be a prize for the collector of quality colonial notes. (300-up)

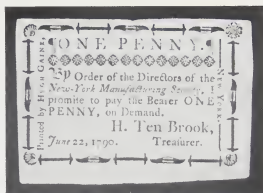

- 72 New Jersey March 25, 1776. Five different denominations: 1s Extra Fine, 18d Very Fine corners off, 3s About New, 12s About New but with a paper peel, and £3 basically Very Fine but pieces missing. (5 pieces) (85-up)

## NEW YORK

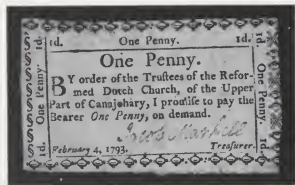

- 73 New York January 6, 1776 4s Very Choice New. A near Gem example of this interesting New York City Waterworks Issue. (125-up)

- 74 New York August 13, 1776 6d Choice New. A very lovely example of New York Colonial Currency. Usually the only uncirculated New Yorks available are the New York City Waterworks Issue. This pristine State of New York note is a happy exception. (200-up)

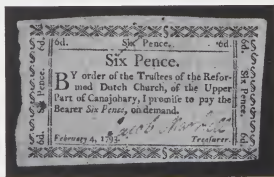

- 75 New York Manufacturing Society June 22, 1790 1d Choice Very Fine. A very scarce small change note boldly printed on both sides. Clean and well centered. (450-up)

- 76 New York The Reformed Dutch Church of Canajohary February 4, 1793 1d Very Fine. The lowest denomination of this issue and a well preserved attractive piece. (350-up)

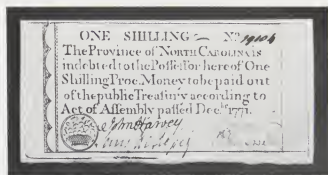

- 77 New York The Reformed Dutch Church of Canajohary February 4, 1793 4d Very Fine. The highest denomination listed by Newman (see next lot). A lovely example of this scarce Montgomery County note. Signed by Jacob Maskell. (350-up)

- 78 New York The Reformed Dutch Church of Canajohary February 4, 1793 6d Choice Very Fine. The discovery piece for this denomination as Newman lists only 1, 2, 3 and 4d denominations. It is interesting to note that Newman has not noted the probability of other denominations than those he listed as is mentioned with most other issues. Well margined and strongly printed on both sides, this charming little note may well remain unique for the denomination. (500-up)

## NORTH CAROLINA

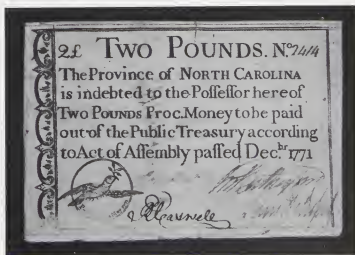

- 79 North Carolina December, 1771 1s Gem New. Lowest denomination of this issue. Unusually bright and with bold unfaded signatures. (350-up)

- 80 North Carolina December, 1771 10s Choice New. Very nearly Gem. All four signatures are brighter than usual. (250-up)

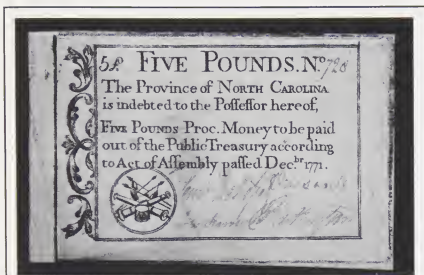

- 81 North Carolina December, 1771 £1 Gem New. Although these usually come nice, this one is extraordinary for its clarity of printing and excellent centering. (300-up)

- 82 North Carolina December, 1771 £1 Choice New. The vignette, although the animal appears somewhat cat-like, is meant to represent the bear of the constellation Ursa Minor. (250-up)

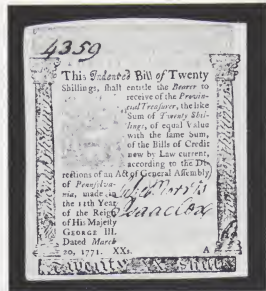

- 83 North Carolina December, 1771 £2 Extra Fine. Very attractive higher denomination note from this issue with unusually good margins. There are three short splits at the top checked at the back with stamp hinges. (225-up)

- 84 North Carolina December, 1771 £5 Choice About New. The most difficult denomination of this issue to locate and in a wonderful state of preservation, with centering far superior than is typical for this issue. (500-up)

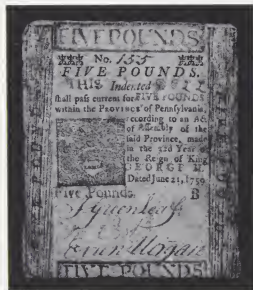

- 87 Pennsylvania March 20, 1771 20s Choice About New. A superb Colonial Note from a scarcer Pennsylvania issue. Sharp red and black printing and exceptional centering and margins. But for a very light center fold this would be as fine a Colonial Note from this issue as could exist. (300-up)
- 88 Pennsylvania March 20, 1773 6s Fine-Very Fine. The scarce variety of this Lighthouse Issue with the Pennsylvania Coat of Arms printed upside down. (75-up)
- 89 Pennsylvania October 25, 1776 18d Very Choice New. A near Gem example of this good looking Pennsylvania issue. Very well printed on both sides including the nature print on the back. (100-up)
- 90 Pennsylvania October 25, 1775 2s6d Choice New. An unusually nice example of this issue and denomination. The printing is far sharper than normal allowing a nice clear look at the Pennsylvania Coat of Arms which is almost always a blob. (100-up)
- 91 Pennsylvania October 25, 1776 5s Choice New. Seldom seen this nice. There are more mica flakes than usually seen, adding to the interest of this note. (100-up)
- 92 Pennsylvania, Several Issues. 10/25/1775 2s Very Fine stained, 2s6d Fine; 12/8/1775 20s Extra Fine strong attractive signatures; 4/10/1777 6s Very Fine and 12s Fine. (5 pieces) (100-up)

### PENNSYLVANIA

- 85 Pennsylvania April 25, 1759 £5 Fine. A much higher grade than this note is usually found in and free of the tape that usually reinforces the folds on these notes. Printed in red and black by Benjamin Franklin, whose name appears clearly on the back. (350-up)

- 86 Pennsylvania June 21, 1759 £5 Fine-Very Fine. The first note from this issue that we have had the pleasure of handling and in fact the first note from this issue we have ever seen in our collective 70 years as currency dealers. This is one of only two issues later than 1749 which is unprinted in Newman. Only two denominations were issued and according to Newman, this issue was "...approved by the act passed at the Session ending May 21, 1759, but repealed by the Crown in June, 1760. The bills were issued before the repeal occurred and were withdrawn when the repeal was known." The currently offered example is finer by far than the Newman plate note and to the best of our knowledge it is the only £5 example of this issue extent. (1500-up)

- 93 Pennsylvania January 18, 1777 Sheet of 5. One each of the 3d, 4d, 5d, 6d and 9d. A complete set of denominations as listed by Newman. Each of the notes and the sheet itself is Gem New. Each denomination has a different typeset ornamental border. (1000-up)

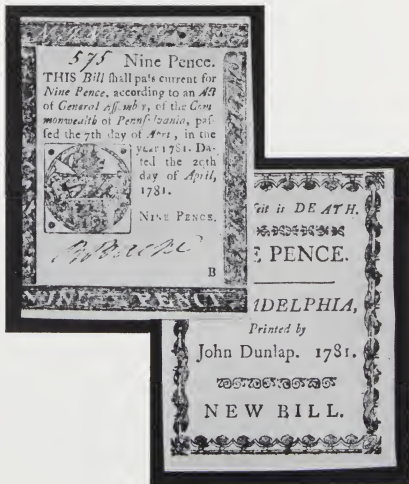

- 94 Pennsylvania April 10, 1777 4d Choice New. A near Gem example with a bold red signature. (100-up)

- 95 Pennsylvania April 10, 1777 6d Gem New. A superb horizontal pair of consecutively number 6d notes. Both notes are absolutely perfect with deep original embossing and bright red serials and signatures. (350-up)

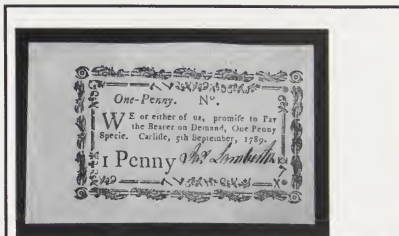

- 96 Pennsylvania April 10, 1777 9d Gem New. An original strip of three consecutively number 9d notes from the same sheet as the 6d pair in the previous lot. All three notes and the strip itself are superb. (500-up)

- 97 Pennsylvania April 10, 1777 12s Extra Fine. A very high grade for a red and black note. One heavy centerfold but no defects or problems. (75-up)

- 98 Pennsylvania April 20, 1781 9d Choice New. A lovely late date Pennsylvania note seldom seen in any grade and rarely seen this nice. Unpriced in Newman above Fine where it is listed at \$110. This would make an excellent addition to any Colonial specialist's holdings. (350-up)

- 99 Pennsylvania Bank of North America August 6, 1789 \$1/90 About Good, Damaged and backed. Rare in this grade as almost all survivors are Choice New. (100-up)

- 100 Pennsylvania John Wray and James Lamberton September 5, 1789 1d Gem New. Far and away the most attractive of all the small change issues with its engraved allegorical back design. Well printed and with large margins all the way around. Signed by James Lamberton. (750-up)

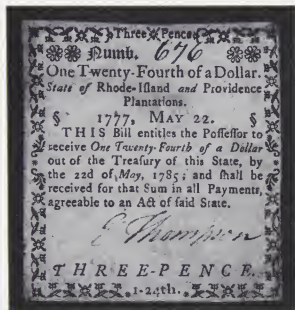

- 101 Pennsylvania Delaware and Schuylkill Canal Navigation Company March, 1793 5c Fine. This is the discovery note for this denomination as Newman lists 10c as the lowest denomination seen. No denomination of this issue can be considered common and this discovery piece may well remain forever unique. (500-up)
- 102 A Nice Pennsylvania Group. 10/1/1773 2s Very Fine; 10/1/1773 2s6d Very Fine; 10/1/1773 20s Extra Fine; 10/1/1773 50s Extra Fine and a second 50s Very Fine; 12/8/1775 30s Very Fine and 4/10/1777 20s Extra Fine with a corner off. (7 pieces) (175-up)
- 103 Pennsylvania Mixed Issues. 12 low grade notes from the common Pennsylvania Issues, all grade Good to Fine and most have the normal defects common to these notes. Only 2 are seriously flawed. Sold as is, no returns. (12 pieces) (120-up)

- 104 Pennsylvania, A Large Grouping, 3/20/1773 Lighthouse Issue 14s Fine; 10/1/1773 18d Very Fine, 10s Very Fine, 15s (2) both Very Fine, 20s Very Fine and 50s Extra Fine; 10/25/1775 18d Very Fine, 2s6d Very Fine, 1s Very Fine; 12/8/1775 20s (2) one Very Fine one Extra Fine and 40s Very Fine; 4/10/1777 6s Very Fine and 12s Very Fine. An unusually nice grouping as not a single note is damaged or flawed. (15 pieces) (400-up)

## RHODE ISLAND

- 105 Rhode Island September 5, 1776 \$1/8 Fine. A very rare issue seldom seen in any grade and not priced in Newman above Very Good (\$220). These notes are printed on such thick paper that they have the look and feel of a thin paper Rhode Island note that has been mounted on cardboard. This rare little item is the highest grade example of any denomination of this issue that we have handled. (350-up)

- 106 Rhode Island May 22, 1777 \$1/24 Extra Fine. A rare issue seldom seen in any grade and in our opinion, one of the most underpriced in the Newman reference where it is listed at \$150 in Very Good. This example is the finest grade piece of this issue that we have handled and is certainly among the finest known. The only other note from this date that we have handled recently was a \$1/9 in damaged Very Fine which sold for \$245 in our January sale. (500-up)

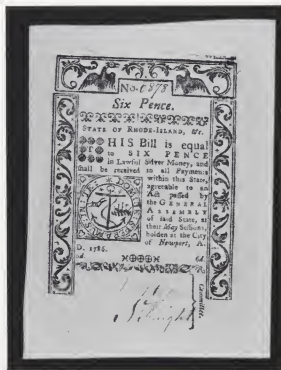

- 107 Rhode Island July 2, 1780 \$4 Gem New. A flawless specimen. (100-up)
- 108 Rhode Island July 2, 1780 \$8 Gem New. (80-up)

- 109 Rhode Island July 2, 1780 \$20 Gem New. A perfect example of the issue with broad margins and ideal color. (100-up)
- 110 Rhode Island July 2, 1780 \$3, \$5, \$8. All three notes are Choice New and two of the three have the Guarantee on the back signed. (3 pieces) (200-up)

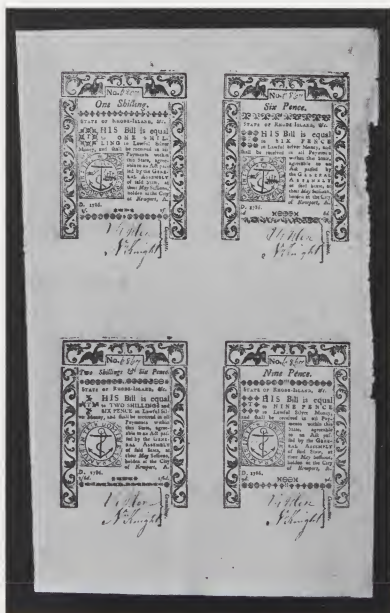

- 111 Rhode Island July 2, 1780 Double Sheet of 16. A superb double sheet: 2 each of the \$1, \$2, \$3, \$4, \$5, \$7, \$8 and \$20 denominations, for a total of 16 Superb Gem New notes. The sheet itself is flawless all the way out to its deckled edge on all four sides. (1200-up)

- 112 Rhode Island May, 1786 6d Superb Gem New. The sheet mate to the next lot. Quality virtually impossible to surpass. (150-up)
- 113 Rhode Island May, 1786 6d Superb Gem New. Jumbo margins and absolutely flawless. Unimprovable. (150-up)
- 114 Rhode Island May, 1786 9d Gem New. A superb note with two large and two jumbo margins. Perfect in every way. (100-up)

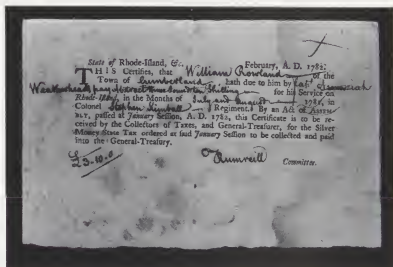

- 115 Rhode Island May, 1786. 1s New with a close margin and a few trivial splits and a 2s6d Gem New with jumbo margins. (Two pieces) (200-up)
- 116 Rhode Island May, 1786 6s Choice New. (75-up)
- 117 Rhode Island May, 1786. Three nice notes from the same issue: 9d Gem New with jumbo margins, 30s Choice New and £3 Choice New. (3 pieces) (200-up)
- 118 Rhode Island May, 1786. Four notes from the same issue: 1s broad margined New and would be a Gem but for a short margin tear; 20s New; 40s Choice New; and £3 New. The 3 higher denomination notes are seen far less frequently than the small denominations that are actually quite common. (4 pieces) (225-up)
- 119 Rhode Island May 1786 Sheet of 4. Three Gem New Notes and one New with a slight margin tear. The 4 denominations are 6d, 9d 1s and 2s6d. The tear is in the 9d. (250-up)

- 120 Rhode Island May 1786 Sheet of 4. A second sheet of 6d, 9d, 1s and 2s6d. Three of the notes are Gem New and the 6d has a minor water stain in its margin. (250-up)
- 121 Rhode Island May 1786 Sheet of 4. A third sheet of 6d, 9d, 1s and 2s6d. Again with three Gem New Notes: the 1s note is New as it has a close margin. (250-up)

- 122 Rhode Island May 1786 Double Sheet of 8. Two each of the 3s, 5s, 6s and 10s denominations: 6 of the 8 notes are Choice New, one 3s is About New and one 6s has a small hole. These higher shilling notes are printed on both sides. (400-up)
- 123 Rhode Island May, 1786. A cut sheet of four Superb Gem New notes. 6d, 9d, 1s and 2s6d. All four notes have jumbo margins and deep original embossing. They are all as flawless as any Colonial note can be. (550-up)

- 124 Rhode Island February 1782 Fiscal Paper. A due bill made out to William Rowland "for his service on Rhode Island" signed by Thomas Rumrell who also signed the 1780 issues of Rhode Island currency. Lightly folded with a few water stains but essentially Extra Fine. (80-up)

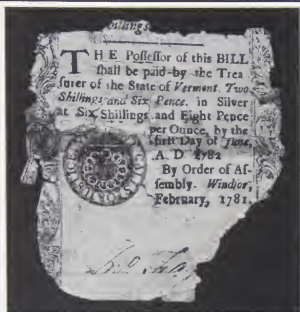

## SOUTH CAROLINA

- 125 South Carolina April 10, 1778 Sheet of 4. All four notes and the sheet itself grade About New. The outside margins are full to the edge of the sheet which consists of one each of 2s6d, 3s9d, 5s and 10s. Each note has one signature and a vignette that is sharper than usual. (700-up)

## VERMONT

- 126 **Vermont February, 1781 2s6d.** Approximately 25% of the note is missing including the top border and lower right corner. Most of the signature of John Fasset is present as is the Vermont Seal. The part of the note that is present grades approximately Fine, and has been split and taped along its center fold. Having been printed on thin weak paper and having been redeemed and burnt by an act of the State just 8 months after issue contributes greatly to the extreme rarity of Vermont notes. This February, 1781 issue was the only currency printed by the State and after the Act of October 27, 1781 (which denied the Treasury the right to recirculate the bill), their legal tender status was revoked on June 1, 1782. However, they did retain their validity for tax payments. This situation virtually assured that the few remaining stragglers in circulation would return to the state to be burnt. It is significant to note that Newman lists 3 grade columns for Vermont notes: Poor, Good and Very Good. All denominations are listed in Newman at \$1000 in Poor condition and we expect this note to reach near that. (\$800-up)

## VIRGINIA

- 127 **Virginia October 20, 1777 \$8 Choice Extra Fine.** Extremely well margined and quite clean. The brown ink of the serial number, date and signatures is unfaded and bolder than usual. (125-up)
- 128 **Three Virginia Notes.** 5/6/1776 \$4 Fine; 10/7/1776 \$6 Very Fine torn and taped; and 5/5/1777 \$8 Choice Very Fine. (3 pieces) (100-up)

- 129 **Virginia Two Different Issues.** 10/7/1776 \$2/3 Fine, \$6 Choice Very Fine, \$15 Very Fine but with a damaged end; 10/20/1777 \$6 (2) Very Fine with ragged edges and Choice Very Fine flawless with extremely large margins and \$10 Very Fine with a ragged edge. (6 pieces) (175-up)

- 135 **A Mixed Quality Grouping.** The best note is a Virginia May 3, 1779 £15 which would grade Extra Fine if not for edge and corner damage. Also a June 1, 1775 South Carolina £20, which is damaged and taped. Also an extremely low grade Fractional Continental and a wretched 1767 Maryland backed with a 1771 Pennsylvania newspaper. The final three items are French assignats, all About Very Fine or lower. (Seven pieces) (75-up)
- 136 **Mixed Colonial Notes.** Continental 11-2-1776 \$3 Fine; Continental 2-17-1776 \$2/3 Very Fine; Rhode Island May, 1786 3£ About New. (3 pieces) (125-up)

## ORIGINAL TREASURY SETS OF FRACTIONAL CURRENCY

We are privileged to offer in this sale two of the very rare official Treasury issued type sets of Fractional Currency. An auction is blessed to have even one of these sets, as we have been able to document less than a total of ten in existence. To offer two in the same sale is unprecedented. These sets were issued by the Treasury from 1867-1869 and contained all the representative types from the first three issues. They were sold to the public for \$6.65, which represented the face value of the notes plus a 2¢ stationery expense. Both sets include the original issue card and envelope.

- 137 **Original Treasury Set of Fractional Currency.** An unusually nice set with more well centered notes than these sets generally seem to have. As always in these sets the notes are uniformly bright and every single piece has its full colors and particularly bright bronze. The Treasury card issued with this set is printed in red. The set contains:

### Treasury Card

Fr. 1332

Fr. 1345

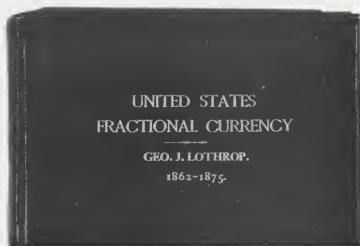

- 139 **Early Fractional Currency Collection.** A most intriguing black leather-like Fractional Currency album likely dating from the 1870's. Inscribed in debossed gold leaf heavily impressed into the cover:

UNITED STATES  
FRACTIONAL CURRENCY

GEO. J. LOTHROP  
1862-1875

Presumably Mr. Lothrop lived beyond the age of 13 and the cover dates refer to the issuance period for Fractional Currency. This unusual private collection album is unlike anything we have handled before and is a true relic of a bygone collecting era. We particularly enjoy sharing such items with the numismatic fraternity as it puts us all in closer touch with collecting traditions. The book itself is composed of heavy pages onto which a lighter page was tipped with glue at the corners and center. Slits were then cut in the blue paper to accommodate the notes without damaging them in any way. Each of the issues are separated by a page on which a title card is mounted. Elaborate calligraphy announces the presence of each issue. It is interesting to note that Mr. Lothrop mistakenly included the 50¢ Fourth Issue Stanton and Dexter notes as part of the Fifth Issue, thinking that only the 50¢ Lincoln was part of the Fourth Issue. In all the collection totals 81 notes and is arranged as follows:

First Issue 5¢ - Fr. 1228 and two Fr. 1230's  
First Issue 10¢ - Fr. 1240 and two Fr. 1242's  
First Issue 25¢ - Fr. 1279, Fr. 1281 and Fr. 1282  
First Issue 50¢ - Fr. 1310 and two Fr. 1312's

Second Issue 10¢ - Fr. 1244, Fr. 1245 and Fr. 1246  
Second Issue 25¢ - Two Fr. 1283's, Fr. 1285 and Fr. 1290

Fifth Issue (sic) 50¢ - Dexter two Fr. 1379's  
A few of the notes grade Extra Fine or About New, with the majority grading New or better. A few of the highlights are the following notes in Gem New: Fr. 1226, Fr. 1228, Fr. 1230, Fr. 1238, Fr. 1240, Fr. 1242, Fr. 1251, Fr. 1255, Fr. 1257, Fr. 1259, Fr. 1264, Fr. 1265, Fr. 1266, Fr. 1294, Fr. 1298, Fr. 1301, Fr. 1308, Fr. 1309, Fr. 1312, Fr. 1318, Fr. 1328, Fr. 1331, Fr. 1374, two Fr. 1381's, Fr. 1376 and Fr. 1379. Many other notes are close to Gem, as Mr. Lothrop had an eye for quality. The first page of the book has been left as is for exhibit, but the remaining 78 notes have been removed to facilitate examination. Offered individually, we feel the notes alone would retail between \$8,500 and \$10,000, ignoring the value of the theme album and the collection itself. A challenge to estimate but we feel this unique item is certain to realize... (7000-up)

## FRACTIONAL CURRENCY SHIELD

- 140 **Fractional Currency Shield.** Far superior to the typically offered shield. These items are generally plagued by unsightly water stains, which this example is free from. An attractive contemporary hardwood frame dating from the period of issue enhances this unusually lovely shield. Contrary to popular wisdom, shields were in fact issued unframed and there is no such thing as an "original frame of issue". This frame is the finest we have ever seen for a shield. It also has its original wide plank back which bears a partial label from the frame makers "Marston and Prince, 141 Essex Street, Lawrence" (Massachusetts). The notes are bright and unfaded and the shield surpasses in quality the one we offered as lot 293B in our January, Orlando, Florida sale. (4000-up)

## FRACTIONAL CURRENCY

- 141 **Fr. 1228 5¢ First Issue Gem New.** Perfect centering both face and back with full deep perforations all the way around. A truly lovely example of this scarce and popular type. (250-up)
- 142 **Fr. 1228 5¢ First Issue Gem New.** A superb example of a perforated note. The perforations are full, deep and clear of the frame line all the way around. A very pretty little note. (250-up)

- 143 **Fr. 1228 5¢ First Issue Gem New.** Perforated on all four sides with the majority of the perforations being quite deep. (200-up)
- 144 **Fr. 1228 5¢ First Issue Very Choice New.** Near the Gem category. (100-up)

- 145 **Fr. 1229 5¢ First Issue Gem New.** An absolutely superb example of this rare no monogram perforated note. Beautifully bright, fully and deeply perforated with near perfect face centering and absolutely perfect back centering. As fine an example as you could ever hope to obtain. (400-up)
- 146 **Fr. 1230 5¢ First Issue Vertical Strip of 4.** A single column from the sheet with full top and bottom selvage and better than average margins on both sides. All four notes and the strip itself grade About New. (125-up)
- 147 **Fr. 1230 5¢ First Issue Vertical Strip of Four Gem New.** Four superb notes with huge margins all the way around. It is most unusual to find these strips without folds between the subjects. This strip is 100% original and has not a trace of a fold or any other defect. (350-up)

- 148 **Fr. 1231 5¢ First Issue Choice New.** The scarce no monogram variety. (100-up)
- 149 **Fr. 1231 5¢ First Issue Choice New.** A lovely example of the scarce straight edge no monogram variety. (100-up)

- 150 **Fr. 1243 10¢ First Issue Choice New.** A well printed example of the scarce no monogram variety. (150-up)

- 155 **Fr. 1282 25¢ First Issue Choice New.** An extremely bright, well printed example of this rare straight edge no monogram note. In our opinion this is the rarest of the 16 different First Issue varieties. (300-up)

- 151 **Fr. 1279 25¢ First Issue Superb Gem New.** The finest perforated Fractional of any denomination that we have ever seen and in our opinion the highest quality Fractional Note in the sale. Color and paper quality are absolutely superb and the margins, centering and depth of the perforations could not possibly be improved. If you want to acquire a collection of notes with each piece absolutely superb you will own a very few notes and this would be one of the nicest of them. (1000-up)
- 156 **Fr. 1310 50¢ First Issue Very Choice New.** A near Gem example fully perforated on all four sides. The left face perforations just barely touch the frame line, otherwise this note is a perfect Gem. There is sheet selvage outside the perforations at both the top and right. (300-up)
- 157 **Fr. 1310 50¢ First Issue Extra Fine.** Well perforated and strongly printed. No defects, just light circulation on this scarce and popular note. (60-up)

- 152 **Fr. 1279 25¢ First Issue Choice New.** Bright and perforated on all four sides. (150-up)

- 153 **Fr. 1281 25¢ First Issue Gem New.** Very well printed. (100-up)

- 158 **Fr. 1311 50¢ First Issue Very Choice New.** This rare no monogram variety is fully perforated on all four sides and would be an absolute Gem if the centering were just slightly better. (300-up)

- 154 **Fr. 1282 25¢ First Issue Very Choice New.** An outstanding example of this rare no monogram variety. The right margin is a bit close but is clear of the frame line. (500-up)

## DUPLICATES?

**Consign them to our May 1993 Sale!**

- 159 **Fr. 1311 50¢ First Issue Vertical Pair Choice New.** A perfect mate to the horizontal pair that sold for \$1675.50 as lot 194 of our January 1992 sale. Both notes, offered as singles, would be worth over \$300 each. Multiples of perforated Fractional Notes are extremely rare and Fr. 1311 is the rarest of the individual perforated notes. (1500-up)

- 160 **Fr. 1312 50¢ First Issue Gem New.** A real beauty seldom seen this nice. (125-up)

- 161 **Fr. 1312 50¢ First Issue Vertical Pair.** Both notes grade Gem New. The pair is folded precisely between both notes in a way that affects neither as the fold runs right down the center along the cutting line. (250-up)
- 162 **Fr. 1313 50¢ First Issue Very Fine.** Lightly stained but rare. (75-up)

- 163 **Fr. 1313-SP Pair Gem New.** Both face and back of this narrow margin pair are superb. Margins are even and the size of well centered regular issue notes. (2 pieces) (100-up)

- 164 **A Complete Set of Perforated Notes.** Fr. 1228 5¢ Choice About New; Fr. 1229 5¢ Choice About New; Fr. 1240 10¢ Choice New; Fr. 1241 10¢ Choice New; Fr. 1279 25¢ New; Fr. 1280 25¢ New; Fr. 1310 50¢ Choice New and Fr. 1311 50¢ New. An outstanding group for both rarity and quality. All 8 notes are perforated on all four sides. (8 pieces) (1250-up)

- 165 **Five First Issue Sets.** Fr. 1230 5¢, Fr. 1242 10¢, Fr. 1281 25¢ and Fr. 1312 50¢. Five of each note. All 20 notes are Choice New and all appear to have been together from the time of issue as the inking and paper color are identical. (20 pieces) (1250-up)

- 166 **First Issue Denomination Set.** Fr. 1230 5¢, Fr. 1242 10¢, Fr. 1281 25¢ and Fr. 1312 50¢. All four notes grade Choice New. (4 pieces) (225-up)

- 167 **First Issue Denomination Set.** Fr. 1230 5¢ Choice About New; Fr. 1244 10¢ Very Fine; Fr. 1281 25¢ Choice New; and Fr. 1312 50¢ Extra Fine. (4 pieces) (110-up)

- 168 **Three Perforated Notes.** Fr. 1228 5¢ About New; Fr. 1240 10¢ Extra Fine and Fr. 1280 25¢ Extra Fine fully perforated and rare. (3 pieces) (140-up)

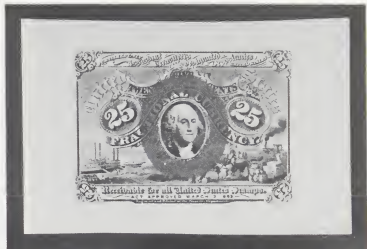

- 169 **Fr. 1232-SP 5¢ Second Issue Wide Margin Pair Gem New.** A beautiful pair as nice as they ever come. (200-up)

- 170 **Fr. 1234 5¢ Second Issue Horizontal Block of Six.** This **About New** block is fully bright and clean with no soil or circulation caused defects although it has been lightly folded a few times. To the best of our knowledge this is the first multiple of Fr. 1234 that we have seen. (150-up)

- 171 **5¢ Second Issue Group.** Of the 15 pieces 11 are **Choice New** or **New** with the remaining 4 grading **About New**. One note is heavily aged and two have small tears. A nice dealer group. (15 pieces) (300-up)

- 172 **Fr. 1244-SP 10¢ Second Issue Wide Margin Pair Choice New.** An evenly matched pair very near the **Gem** category. There is a tiny closed pinhole in the back. (2 pieces) (200-up)

- 176 **Fr. 1283-SP Wide Margin Pair.** Great color and even margins on this **Gem** new pair. (2 pieces) (375-up)

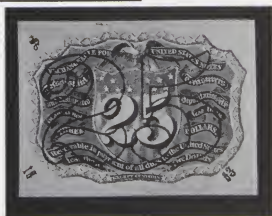

- 177 **Fr. 1284 25¢ Second Issue Very Choice New.** (100-up)

- 173 **Fr. 1244-SP Wide Margin Pair.** A light corner fold in the face, otherwise a superb pair. **Choice About New.** (175-up)

- 174 **Second Issue 10¢ Group.** Fr. 1245 (9) and Fr. 1246 (2). Nine notes grade **New** or **Choice New** and two grade **About New**. (11 pieces) (300-up)

- 175 **Fr. 1283 25¢ Second Issue Very Choice New.** Only the back centering which just touches the design at the left prevents us from calling this beautiful little note a perfect **Gem**. The face margins are extraordinary as is the bronze and the printing quality. (100-up)

- 178 **Fr. 1286 25¢ Second Issue Gem New.** By far the finest 1286 that this cataloguer has ever seen. All gem Second Issue Notes are rare, 25¢ and 50¢ especially so. This note has every **Gem** characteristic in spades including an extremely sharp "S" in the surcharge. (250-up)

- 179 **Experimental 25¢ Second Issue Choice New.** V-218, Milton 2E25F.3b. A bit of aging near the bottom but very well centered and quite attractive. (175-up)

- 180 **Experimental 25¢ Second Issue Gem New.** V-237, Milton 2E25F.6. A lovely example with far better than average face margins. The type of Fr. 1286 but with no engraving on the back, only the bronze 25 and the surcharges 5-18-63. (225-up)

- 181 **Experimental 25¢ Second Issue Very Choice New.** V-237 Milton 2E25F.6. This is the type of Fr. 1286 with the normal face and bronze but the back has the bronzing only and no engraving. One of the more popular experimentals due to its striking appearance. This would be a full Gem but for a minute brown spot in the margin not affecting the design and barely visible. (175-up)

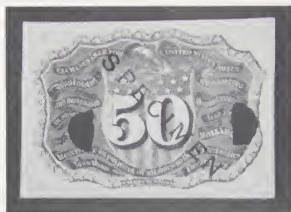

- 182 **Fr. 1290 25¢ Second Issue Gem New.** The finest example of this rare note that we can recall seeing. Extraordinary centering, wonderful color and the printing quality that one would expect on a regular paper note but that is simply not seen on fiber paper. The all important "2" in the "T-2-18-63" surcharge is sharp and clear. (350-up)

- 183 **Fr. 1316 50¢ Second Issue Choice About New.** A superb looking note with great printing quality, good color and super centering. Fr. 1316 is a rare and undervalued note. This example has the look of a Gem but has a light almost invisible horizontal fold. (125-up)

- 184 **Fr. 1318 50¢ Second Issue Gem New.** A most unusual grade for this type and one of the very few we've handled over the years. Broad even face margins and essentially perfect centering on both face and back. The bronze is bright and attractive and even the bronze oval around Washington's portrait is well centered. (300-up)

- 185 **Experimental 50¢ Second Issue Gem New.** V-227, Milton 2E50R.3 The type of Friedberg 1316-1322 but with the entire face blank and the reverse engraving only with no bronze. One of the rarer Experimental notes, particularly this nice. (250-up)

- 186 **Fractional \$4 Bill.** A horizontal strip of Fr. 1317 50¢ Second Issue Notes (2x4). All the notes grade **Fine to Very Fine** and there is no question as to circulation. The look and feel of this great item tells it all, it has circulated as a four dollar bill! Blocks and strips of 50¢ Second Issue Notes are all rare. (300-up)

- 187 **Second Issue Group.** Fr. 1233 5¢ three notes all grade **New**; Fr. 1244 10¢ one **Choice New** and one **About New**; Fr. 1245 10¢ one **About New** and one **New** with a hinge; and Fr. 1246 (4) one **Choice New** one **About New** and two **Extra Fine**. (11 pieces) (250-up)

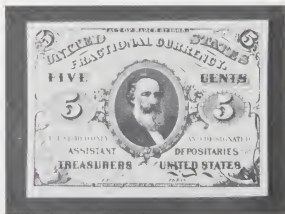

- 188 **Second Issue Denomination Set.** Fr. 1233 5¢ **Very Fine**; Fr. 1244 10¢ **Extra Fine**; Fr. 1283 25¢ **Very Fine** and Fr. 1318 50¢ **Choice About New**. (4 pieces) (85-up)

- 189 **Two Strips of Three.** Fr. 1244 10¢ **Extra Fine** and Fr. 1316 50¢ **Very Fine**. Both are vertical triples, the 50¢ is a very scarce note even as a single (2 pieces, 6 notes) (200-up)

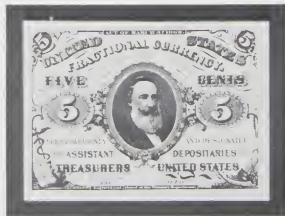

- 190 **Fr. 1226 3¢ Third Issue Gem New.** A pretty little note. (65-up)

- 191 **Fr. 1226 3¢ Third Issue Block of 20.** Missing only one column of five notes from the complete sheet. All of the notes grade from **About New** to **Choice New** based on where the light folds happen to fall. Bright and attractive, with a lot of value here either as a block or as 20 nice 3¢ notes. (550-up)

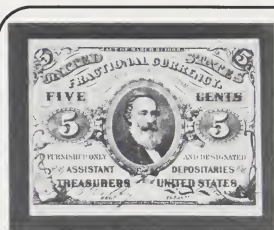

- 192 Fr. 1226 3¢ Third Issue Block of 4. Two of the notes grade New and two About New on this good looking block. (100-up)
- 193 Fr. 1227-SP 3¢ Wide Margin Pair Gem New. An outstanding extra-wide pair without a hint of a defect. Both are printed on CSA paper and both have a full CS watermark. Although all the wide margin pairs are roughly equal in rarity, 3¢ pairs are far less frequently encountered in Gem condition. (2 pieces) (450-up)
- 194 A Choice 3¢ Type Set. Fr. 1226 Light Curtain and Fr. 1227 Dark Curtain both Choice New. (2 pieces) (125-up)
- 195 Both 3¢ Types. Fr. 1226 Choice New light curtain and Fr. 1227 Choice New dark curtain. (2 pieces) (125-up)

- 196 Fr. 1236 5¢ Third Issue Gem New. A beautiful Clark Red Back with unusually large margins and near perfect centering on both sides. Best of all, there are absolutely no ink smears. (200-up)
- 197 Fr. 1236 5¢ Third Issue Gem New. A lovely little Red Back Clark, free from the usual ink smears. (150-up)
- 198 Fr. 1236-SP 5¢ Wide Margin Pair Gem New. Another lovely pair from this outstanding run of Wide Margin Specimens. Very well matched in both size and paper shade. (2 pieces) (400-up)

- 199 Fr. 1238 5¢ Third Issue Superb Gem New. A wonderful note with huge even margins and perfect inking and color. Common, but rare this nice. (100-up)

- 200 Fr. 1239 5¢ Third Issue Invert Choice Very Fine. An unmolested original example of this extremely rare variety. Only one other of this note is known and only 6 examples of the type (Fr. 1236-39) are known in total. A Clark Invert would be one of the major highlights of any Fractional Currency collection it entered. Most collectors will never have the opportunity to own any Clark Invert let alone a Fr. 1239. (1500-up)

- 222 An Original Group of Fr. 1294. Ten notes which from their appearance have been together from their date of issue. All have identical color in both their paper and bronze and all have uniform original embossing. The grades range from New to Choice New based on centering but three of the notes have corner folds and are About New. (10 pieces) (350-up)

- 216 Fr. 1291/4-SP Wide Margin Set of Three Gem New. A gorgeous Fessenden set, with all three pieces fully wide. The green back shows the plate #12 in its upper right hand corner. (3 pieces) (500-up)
- 217 Fr. 1291/94-SP 25¢ Wide Margin Set of Three. A near Gem set of Fessenden Notes with the face and both backs far finer than normally seen. A Very Choice New Set. (3 pieces) (400-up)

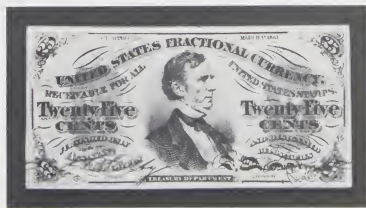

- 218 Fr. 1292 25¢ Third Issue Gem New. A beautiful Red Back Fessenden with exceptional centering of the design both face and back. Original embossing and fully bright bronze. (175-up)
- 219 Fr. 1292 25¢ Third Issue Choice New. A most attractive Red Back Fessenden with the design letter "a". Only the somewhat close margins preclude the Gem grade. (125-up)

- 224 Fr. 1298 25¢ Third Issue Gem New. The finest example of this rare note that we have ever handled. Superb margins, exceptional back centering, bright bronze, a sharp "M-2-6-5" surcharge and sharp printing all the way to the frame line on all four edges of the face. Weak printing is a given on these fiber paper notes, but the printing on this wonderful example is as vivid as on the best of the plain paper notes. A truly exceptional piece that any collector would be proud to own. (750-up)

- 225 Fr. 1298 25¢ Third Issue Extra Fine. A nice example of this rare Fiber Paper Note. (75-up)

- 220 Fr. 1292 25¢ Third Issue Choice About New. A perfect Gem but for a single difficult to see broad corner fold. (75-up)
- 221 Fr. 1294 25¢ Third Issue Gem New. An outstanding example with huge even face margins. The full back plate number "122" appear at lower left of the back. (100-up)

- 226 Fr. 1299 25¢ Third Issue Solid Surcharge. About New but with a restored area at the upper left which appears to have been trimmed off another note and attached with restoration tape. Quite well done and scarcely noticeable from the face. A very rare variety seldom seen in any grade and a nice space filler which should realize... (175-up)

- 227 Fr. 1300 25¢ Third Issue About New. This is the first example of this rate note that we have had the privilege of offering in our auctions. This is a very rare note seldom seen in any grade and just about never seen this nice. While the centering is only average, the note is originally embossed and has not a hint of damage or repair. The bronze is bright and the "a" which makes this note a 1300 is sharp and distinct. An opportunity to buy a Fr. 1300 in even near this condition may not present itself for another decade or more. (2000-up)

- 228 Fr. 1324 50¢ Third Issue Spinner Gem New. A lovely Red Back note with no problems and deep original embossing. (300-up)

- 229 Fr. 1324 50¢ Third Issue Spinner Very Choice New. Superb in every way but for the centering which although it is better than average is not Gem quality. (225-up)

- 230 Fr. 1324 50¢ Third Issue Spinner Choice New. Good eye appeal, strictly original and better than average centering although not Gem. (225-up)

- 231 Fr. 1324 50¢ Third Issue Spinner Choice New. A lovely Red Back that would be a Gem if the back centering did not just touch the edge. (200-up)

- 232 Fr. 1324 50¢ Third Issue Spinner Choice About New. A superb looking note a single light fold away from Gem New. (100-up)

- 233 Fr. 1325 50¢ Third Issue Spinner Good. Some tape reinforcements and a bit rough at the edges but a rare and seldom offered Friedberg number. (65-up)

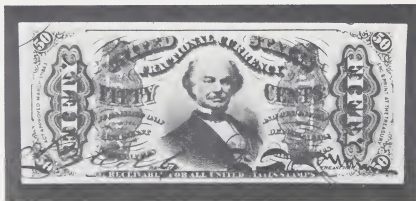

- 234 Fr. 1326 50¢ Third Issue Spinner Very Choice New. Super color of ink, paper and bronze. A blazing, original Gem, but for the top margin which just touches the frame line at the left. (250-up)

- 235 Fr. 1327 50¢ Third Issue Spinner Superb Gem New. Unbelievable margins all the way around, perfect color, perfect back centering and deep original embossing. The embossing includes the actual edge of the plate from which it is plainly visible that this note was the upper right hand corner subject. An exquisite item and one of the finest Spinner notes we have handled. (500-up)

- 236 Fr. 1327 50¢ Third Issue Spinner Gem New. A lovely example of this scarce note with excellent margins and deep original embossing. (300-up)

- 237 Fr. 1328 50¢ Third Issue Spinner Gem New. A superb example of this hand signed, red back note. Wonderful margins, perfect back centering and extremely bold signatures along with deep, original embossing highlight this beauty. (400-up)

- 238 Fr. 1328 50¢ Third Issue Spinner Very Choice New. A very nice example of this hand signed red back note that would be a Gem with just a bit more bottom margin. (250-up)

- 239 Fr. 1328 50¢ Third Issue Spinner Very Choice New. Nearly a Gem. (150-up)

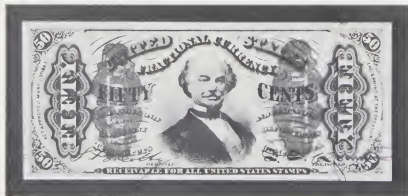

- 240 Fr. 1328-SP 50¢ Wide Margin Face Choice New. Not on CSA paper like the vast majority of these notes. This is on softer bond-like paper with a tiny weave pattern. The original embossing is exceptionally bold and deep. A scarce variety! (250-up)

- 241 Fr. 1329 50¢ Third Issue Spinner Very Choice New. This is the rare hand signed Allison/Spinner note and a beautiful one at that. Many times rarer than the Fr. 1328 and very undervalued in our opinion. Broad margins all the way around with the back design slightly off center to the left and just touching the edge. Both signatures are dark and clear. (550-up)

- 242 Fr. 1331 50¢ Third Issue Spinner Gem New. A superb green back Spinner with incredible bronze, huge margins and virtually perfect centering on both face and back. A real wonder note! (400-up)

- 243 Fr. 1331 50¢ Third Issue Spinner Gem New. Deep originality and wonderful color and bronze. A pretty green back Spinner that anyone would be proud to own. (300-up)

- 244 Fr. 1331 50¢ Third Issue Spinner Very Choice New. (200-up)  
 245 Fr. 1332 50¢ Third Issue Spinner Choice New. A well margined "1 and a" Spinner note with excellent eye appeal and exceptional centering both face and back. There is a green ink smear in the left margin but it is well clear of the design. (400-up)  
 246 Fr. 1332 50¢ Third Issue Spinner Choice New. The scarce "1 and a" variety with better than average face centering. The back centering is a bit close to the bottom. (300-up)  
 247 Fr. 1332 50¢ Third Issue Spinner Choice About New. The rare "1" and "a" note from the upper left corner of the sheet. (150-up)  
 248 Fr. 1334 50¢ Third Issue Spinner Gem New. A lovely note with superior color, printing quality and margins. (300-up)  
 249 Fr. 1334 50¢ Third Issue Spinner Very Choice New. A scarce Spinner with only minor amounts of reverse ink smears which indicate this note was from the upper right corner of the plate. (200-up)

- 250 Fr. 1334 50¢ Third Issue Spinner Choice New. (200-up)

- 251 Fr. 1336 50¢ Third Issue Spinner Gem New. Far and away the finest example of this rare note that we have ever seen. Hugely margined on all four sides with just a hint of light offset smudging in the top margin only. The only defect whatsoever on this great little Fractional rarity is a corner tip fold which was present before the note was printed as is evidenced by the inking pattern. It is often years between appearances of a Fr. 1336 in any grade, so if you wish to add a top quality example of this number to your holdings don't let this one pass you by. (1750-up)

- 252 Fr. 1339 50¢ Third Issue Spinner Type II Gem New. A letter perfect example of this different type. Extremely elusive in top grade. (450-up)

- 253 Fr. 1339 50¢ Third Issue Spinner Type II Very Choice New. But for the top margin being a bit too close, this note is a perfect Gem in every respect. (275-up)
- 254 Fr. 1339 50¢ Third Issue Spinner II Very Choice New. A near Gem example of this scarce type. (250-up)

- 255 Fr. 1340 50¢ Third Issue Spinner II Very Choice New. A near Gem example of this the rarest of the Type II Spinner notes. Far better than average margins and centering and a Gem if the bronze was just a little brighter. (450-up)
- 256 Fr. 1340 50¢ Second Issue Spinner II Choice About New. Incredible centering between four large margins. A striking example of this rare note with the "1" and "a". (300-up)
- 257 Fr. 1342 50¢ Third Issue Spinner II Choice New. (225-up)
- 258 Four Different Spinners. Fr. 1328 New; Fr. 1331 About New aged; Fr. 1334 New and nearly Choice and Fr. 1333 New. (4 pieces) (350-up)

- 259 Fr. 1343 50¢ Third Issue Justice Gem New. A beautiful example of a red back. Three large margins with the right face margin small but fully present. The back centering is just about perfect. There are no smears at all, the bronze is bright, and original embossing is evident. Justice notes are very underrated in this grade. (650-up)

- 260 Fr. 1343-SP Wide Margin Pair Gem New. A well matched pair. Both notes are fully wide and both are printed on CSA paper with the water marks plainly visible. (2 pieces) (450-up)

- 261 Fr. 1344 50¢ Third Issue Justice Gem New. The finest example of this very rare note that we have ever handled. Three huge margins with the fourth margin still quite a bit bigger than any Justice margin is usually seen. Lacking the preprint wrinkle at the top center which is almost always present on both 1344 and 1348 and lacking all but the most minor margins smears that are also prevalent on this very rare note. Far and away superior to lot 255 from our January 1992 Sale which brought a hammer price of \$1325. Irreplaceable quality for this extremely rare note. (2000-up)

- 262 Fr. 1345 50c Third Issue Justice Gem New. A beautiful Red Back Justice note with three extraordinarily large margins. The right hand margin is smaller but certainly large enough for the Gem classification. (600-up)
- 263 Fr. 1345 50c Third Issue Justice Choice New. Gem in every respect but the top margin just cuts the design at the right. (375-up)
- 264 Fr. 1346 50c Third Issue Justice Choice New. A lovely Red Back Justice with good color and originality. (300-up)

- 265 Fr. 1347 50c Third Issue Justice Gem New. A lovely Red Back Justice with good margins all the way around. (550-up)

- 266 Fr. 1347 50c Third Issue Justice Gem New. A lovely Red Back Justice with exceptional margins, perfect back centering and bright paper, bronze and inks. Heavy original embossing enhances the appearance. (550-up)
- 267 Fr. 1347 50c Third Issue Justice Choice About New. A nice Red Back note. (165-up)

- 268 Fr. 1350 50c Third Issue Justice Gem New. A super red back Justice and a very tough number. Perfect colors of both the ink and the bronze and sharp, clear printing. Four

exceptional margins for a Justice note. The back just touches the margin at the left. A great find for the collector who appreciates how truly difficult these Justice notes are in this grade. (600-up)

- 269 Fr. 1350 50c Third Issue Justice Very Choice New. Full color, extraordinary printing quality and three very large margins. But for the lack of a left face margin, this beautiful Justice would be a superb Gem. (450-up)
- 270 Fr. 1355 50c Third Issue Justice New. Typical Justice centering on this hand signed, red back note. (200-up)

### Choice New Fr. 1357 Invert

- 271 Fr. 1357 50c Third Issue Justice Invert Very Choice New. In any grade Fr. 1357 is a scarce note, in top grade it is rare. To find this note in top grade, with the reverse printing inverted, is a Fractional collector's dream come true. This attractive hand signed fiber paper red back invert would be the highlight of a specialized collection. (1750-up)
- 272 Fr. 1357 50c Third Issue Justice Extra Fine. A well margined example of this very scarce hand signed red back fiber paper note. (300-up)
- 273 Fr. 1357 50c Third Issue Justice Very Fine. A perfect for the grade example of this very scarce hand signed fiber paper note. (200-up)

274 Fr. 1358 50¢ Third Issue Justice Choice New. Very bright and attractive. (225-up)

275 Fr. 1358 50¢ Third Issue Justice Choice New. Attractive and original. (225-up)

276 Fr. 1360 50¢ Third Issue Justice Gem New. Another superb Justice from this fine group. Unbelievable margins, incredible printing quality and near perfect centering on both sides. Although red back Justices are for the most part scarcer than green backs, it is our opinion that green backs are encountered less often in top grade. (600-up)

277 Fr. 1362 5¢ Third Issue Justice Extra Fine. A few blue stains, most evident on the back. (40-up)

278 Fr. 1363 50¢ Third Issue Justice Choice New. A handsome, original note with strong printing and nice bronze. Full reverse plate No. 37 shows on the off centered back. (200-up)

279 Fr. 1363 50¢ Third Issue Justice Extra Fine. The scarce "1" and "a" variety. (100-up)

280 Fr. 1364 50¢ Third Issue Justice Choice New. The bottom and left margins are huge, the top is average and the right is very tight but clear of the design. (225-up)

281 Fr. 1364 50¢ Third Issue Justice New. Typical Justice centering. (150-up)

282 Fr. 1365 50¢ Third Issue Justice Gem New. The largest face margins this cataloguer has ever seen on any Justice Note. This note was from the upper right corner of the plate allowing for a large top and right margin. The bottom was cut in a way that cut the border of the note below and the left margin was cut right to the next note. Deep original embossing, bright bronze and very sharp printing in all but the extreme upper right hand corner. The note is so much longer than usual that even though the entire back design is on the paper a fairly large part of the back design of the next note is also present. Unusual centering to say the least and a beautiful and rare specimen. (800-up)

283 Fr. 1370 50¢ Third Issue Justice Choice About New. A very light center fold on this extremely well-printed fiber paper Justice. Typical centering for these with two huge margins and two margins touching the design. (150-up)

284 Fr. 1373 50¢ Third Issue Justice About New. An extremely well margined example of this rare fiber paper Justice note. (175-up)

### Second Finest Known Fr. 1373a

284A Fr. 1373a 50¢ Third Issue Justice About New. A newly discovered piece and the first Fr. 1373a to be sold in over a decade. From the appearance of the piece and the location of its single light fold it seems to trace its origin to the block which first appeared in a pre-1910 Chapman sale as a block of eight. It was purchased at that time by Judson Brenner, President of the American Numismatic Association. Since that time four have been cut off. Six singles and a block of four can be traced in total for Fr. 1373a. Three of the singles are damaged and one is heavily circulated. This piece is well margined, bright and has a sharp, clear "S-2-6-4" surcharge. In the current market this should surely bring... (12500-up)

285 Fractional Proof. 10¢ Fourth Issue type of Fr. 1257-61 but without the seal. The completed plate printed in a needle sharp proof impression on heavy cardboard. Part of a sheet of 20 discovered 5 years ago and since cut into singles and pairs. This piece has a closed tear at the left edge which does little to distract from the beauty of the note. (500-up)

- 287 **Fr. 1259 10¢ Fourth Issue Gem New.** This little jewel is highlighted by an extraordinary deep blue security stain at the right end. Often this stain is merely a hint but in this case the blue is so deep it can almost be described as royal. (100-up)

- 302 **Fr. 1374 50¢ Fourth Issue Lincoln Gem New.** Although the right face margin is smaller than the other margins, it is still quite nice and the note overall is so outstanding that it still rates the Gem grade. The red seal plate #1 is in the margin area below Lincoln's portrait. (350-up)
- 303 **Fr. 1374 50¢ Fourth Issue Lincoln Choice New.** A Gem in every way but for the margins, the top margin being rather tight. The red seal plate number 3 is buried in Lincoln's lapel. (175-up)

- 351 **10 Narrow Margin Specimens.** This catalogue's hatred of Narrow Margin Specimen Notes stems from the fact that 99% of those encountered have a terrible appearance and/or ragged edges. This group is a happy exception with every note being crisp, clean, colorful and New. These were apparently cut down from Wide Margin Notes as all the margins are more generous than those usually seen. This lot is composed of: Fr. 1227-SP 3¢ Pair; Fr. 1242-SP 10¢ Pair; Fr. 1313-SP 50¢ Pair; Fr. 1314-SP Face and three backs Fr. 1232-SP, Fr. 1244-SP and Fr. 1281-SP. A lovely group that could make a person actually like Narrow Margin Specimens! (10 pieces) (300-up)

- 352 **11 Mixed Fractionals.** All high grade notes. Fr. 1233 Extra Fine; Fr. 1255 (3) all About New; Fr. 1256 (3) two New, one About New, Fr. 1316 Very Fine, Fr. 1317 Extra Fine, Fr. 1339 Extra Fine, and a Fr. 1355 New but with holes at the Spinner signature. (11 pieces) (250-up)

- 353 **13 Different Types.** All of the notes grade New or Choice New: Fr. 1226, 1230, 1232, 1242, 1245, 1257, 1266, 1267 15¢, 1281, 1307, 1309, 1379 Dexter and Fr. 1381. A very nice group. (13 pieces) (300-up)

- 354 **A Large Group of Wide Margin Specimen Notes.** Fr. 1251/55-SP Set of Three; Fr. 1253-SP pair; Fr. 1283-SP reverse; Fr. 1313-SP pair; Fr. 1314-SP pair; and Fr. 1355-SP pair. All 12 notes exhibit some flaws: small tears, aging, pinholes, or pencil marks, although 10 of the notes are quite pleasing. There is also a Fr. 1355-SP Narrow Margin Pair included with the lot. (14 pieces) (450-up)

- 355 **Mixed Quality Fractional Grouping.** Fr. 1374 50¢ Lincoln Extra Fine; Fr. 1302 Very Fine Fr. 1309 About New; Fr. 1266 Extra Fine; Fr. 1381 Extra Fine; Fr. 1226 Very Fine. There are also 8 low grade notes: Fr. 1230, Fr. 1230, Fr. 1242, Fr. 1244, Fr. 1255, Fr. 1261, Fr. 1266 and Fr. 1309. (14 pieces) (135-up)

- 356 **Multiple Multiples.** Fr. 1226 3¢ Vertical Pair Extra Fine; Fr. 1233 5¢ Vertical Pair Extra Fine; Fr. 1242 10¢ Vertical Pair Very Fine with a minor tear in one note; Fr. 1245 Vertical Strip of 4 Very Fine; Fr. 1281 25¢ Vertical Strip of 4 Extra Fine and Fr. 1286 Vertical Pair Fine. (6 pieces, 16 notes) (250-up)

- 357 **Mixed Middle Grade Fractional Notes.** 19 notes almost all of which grade Fine to Very Fine, a few are better and only one is worse. Fr. 1226 (4), Fr. 1227, Fr. 1230 (2), Fr. 1242, Fr. 1281, Fr. 1286, Fr. 1303, Fr. 1309, Fr. 1317, Fr. 1339, Fr. 1376 (2), Fr. 1379 (2) and Fr. 1381. (19 pieces) (200-up)

## FRACTIONAL ASSOCIATION ITEMS

- 358 **Spinner Check.** A sight draft from the Canal Department endorsed by Spinner on the back with his distinctive signature. Not cut cancelled or damaged as these are always found; perhaps because the denomination has been erased or changed. Interesting and unusual. (50-up)

- 359 **Three Spinner Checks.** All dated 1848 and all from the Mohawk Valley Bank with Spinner signing as Cashier. The checks themselves are large and attractive with an Indian vignette on the left and farmer plowing behind two horses at the upper right. The Spinner signature is eroded slightly, moderately and severely. (3 pieces) (75-up)

- 360 **Treasury Envelope.** An official business Treasury Department envelope from the 1860's with a Washington D.C. free postmark and the printed frank of F.E. Spinner. Having examined hundreds of Spinner letters and documents, I would bet the ranch that the envelope was addressed by Spinner himself. However, the highlight of this envelope is the red sealing wax Treasury Department Seal holding the envelope closed. The central figure is an eagle on branch and arrows with "Redemption Division Treasury of the United States" surrounding it. We have seen bits and pieces of this seal before but this half dollar size imprint is 100% intact and complete. (150-up)

## ENCASED POSTAGE

- 361 **HB-6 EP-32a 3¢ Ayer's Cathartic Pills Very Fine.** The long arrows variety. The mica is as perfect as they ever come, the stamp is near full brightness and the case is flawless but for one small ding at the lower left of the back. (225-up)

- 362 **HB-18 EP-33 3¢ Take Ayer's Pills Very Fine.** The mica has four short craze marks but is essentially clear, the stamp is extremely bright and the Very Fine case is flawless with about 1/3 of its original silvering remaining. (175-up)

- 363 **HB-30 EP-34a 3¢ Ayer's Sarsaparilla Choice About New.** A lovely piece with a virtually perfect mica, bright stamp and a glossy highly attractive case without a hint of a problem. A premium item. Encased Postage is seldom seen this nice. (300-up)

**Lot 364**

**Lot 365**

- 364 HB-82 EP-40 3c Burnett's Cooking Extracts About New. The mica is very nearly perfect, the stamp is fully bright and perfectly centered and the flawless About New case has over 90% of its original silvering remaining. (450-up)
- 365 HB-163 EP-120 10c Kirkpatrick & Gault Extra Fine. A virtually perfect mica, reasonably bright stamp, and a flawless attractive case with very nice color. If you're looking for a single piece of Encased Postage to complement your collection, this one would be ideal. (350-up)

## VIGNETTES

What follows is an interesting group of vignettes, all of which appear on United States paper money. All are printed on India paper and mounted on card stock. A few show light foxing. We are please to offer the following lots to the collecting fraternity.

## MILITARY PAYMENT CERTIFICATES

MPC was issued to circulate among United States military personnel stationed overseas. Its purpose was to stem black market currency exchanges involving local currency units. In theory only authorized U.S. personnel were permitted to utilize MPC. At irregular intervals an existing issue would be suddenly and without warning called in for conversion to a new successor issue. Since the conversion process took place within the now closed and secure confines of installations under U.S. control, unauthorized holders in the local economy were then left with now worthless paper. Authorized U.S. holders at their bases would convert the previous issue to the now valid new issue.

We are pleased to offer herewith a complete regular issue collection in grades from Fine to Crisp Uncirculated. Included in the following lots will be found a 91 piece set with the two varieties of the Series 481 \$1.00 and lacking only the Series 651 Fractional notes.

## QUALITY EPHEMERA & RARE BOOKS

- 489 **Complete Set of Paper Money of the United States by Robert Friedberg.** Vols. 1-13. All are excellent condition reading copies with no damage or problems. A few of the volumes have light notations here and there. This lot will not be available for viewing in St. Louis. Sold As Is - No Returns. (500-up)

- 490 **Heath's Infalible Counterfeit Detector at Sight.** Twelfth Pocket Edition. Ex-Connecticut State Library. Complete with 10 plates bound in the center. The individual pages are free from the damage so often encountered and the covers show only minimal scuffing and bumping at the corners. The spine is intact and unbroken. Overall a very presentable example nicer than typically encountered. (275-400)
- 491 **Naramore Counterfeit Detector.** A sheet of 18 photographic reproductions of United States paper money, including the \$1 through \$1,000 of the First Charter Period National Bank Notes and the \$1 through \$1,000 of the Series 1862 Legal Tender Notes. The sheet shows some bumping at the corners

and a portion of the lower left corner has torn away. Complete Naramore sheets seem scarcer than the individual note representations more often seen. Likely to sell for... (250-up)

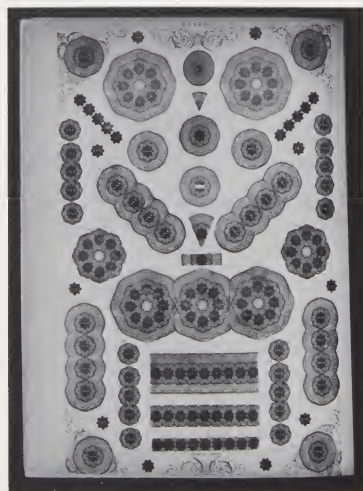

### 492 Complete Set of Naramore Cards

All 18 cards - \$1 - \$1,000 1862 Legal Tender Notes and \$1 - \$1,000 Original Series National Bank Notes are present and all are in excellent condition. These cards were issued as souvenirs in the year 1866, each is a 3 1/4" x 1 1/2" photo mounted on a 4" x 2 1/2" card. The photos were taken of proof notes "on file in the U.S. Treasury Department". Although single cards are often encountered, complete sets, particularly in this good condition, are hard to find. (18 pieces) (200-up)

### 493 A Grouping of Steel Engraved Counterfeit Detector Plates.

Many of the pieces in this intriguing lot have been removed from Heath's Counterfeit Detectors. However, there are a number from other sources that we are unable to conclusively identify. Included are seven separate full scale plates of the right third of the \$1 - \$100 Series 1880 Legal Tender Notes showing only the black portion of the notes' faces. Also in the lot are plates showing the right third of the face and back of the \$1 - \$100 Original Series National Bank Notes. A number of the items are printed in green ink and others in black. Accompanying is a group of engravings of allegorical figures. Examination is recommended for this lot, which is of particular interest to vignette collectors and numismatic bibliophiles. (44 pieces) (250-500)

A wonderful example of this significant book. Fully intact with all pages and plates present. The binding shows only a bit of minor wear at the corners and the spine is fully formed and attached. This Ormsby volume

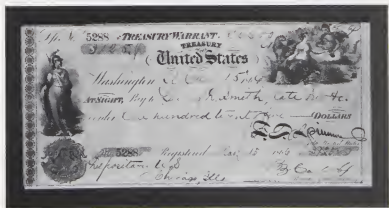

is actually a detailed guide to the bank note printing process and counterfeiting methods. It contains explanations of the counterfeiters' processes and methods and information on how to detect counterfeits. Steel engravings appear intermingled in the text and are also present in quantity in the back of the book. The volume makes fascinating reading and discusses at some length deficiencies in the bank note manufacturing process. Also outlined are the author's proposals to thwart counterfeiting activity. The work of specific counterfeiters is discussed along with those aspects of the then current system of manufacturing genuine notes which served to facilitate the counterfeiter's trade. The frontispiece is composed of ornately engraved corner counters printed in brown, blue and orange. The title page reads:

A  
DESCRIPTION  
of the present system of  
BANK NOTE ENGRAVING,  
showing its tendency to facilitate  
COUNTERFEITING:  
TO WHICH IS ADDED A  
NEW METHOD  
of constructing Bank Notes to  
PREVENT FORGERY

By W.L. ORMSBY

If you aren't already a numismatic bibliophile you surely will be if you see this book. Likely to bring... (1,500-up)

**Rare Treasury Warrant**

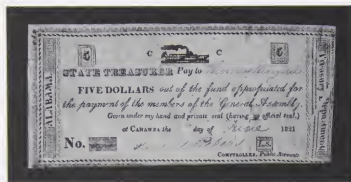

495 United States Treasury Warrant - May 15, 1866 \$125.00  
Very Fine

A most unusual item, "payable at sight to Lewis D. Smith, late Priv. or order" and signed by F.E. Spinner, Treasurer of the United States and S.B. Colby, Register of the Treasury. While Spinner signatures are likely more avidly sought by collectors, Colby signatures are quite scarce by comparison. We have never seen a similar piece and our initial research holds open the possibility that it may still be redeemable. Certain to attract considerable interest and will likely sell for (500-1000)

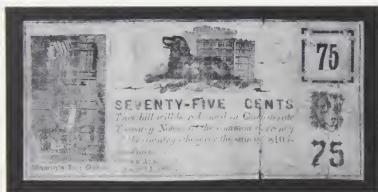

# OBSELETE CURRENCY

## ALABAMA

An excessively rare note listed in Rosene with the notation "no description available." The McGee collection had a \$10.00 and \$20.00 warrant but lacked the \$5.00. These early state issues were emitted for only two years and circulated at a substantial discount due to the state's straitened economic circumstances. **Very Fine, CC**, a great item fit for the finest of collections, and worthy of a most liberal bid. - 498 Claiborne - T. Pool 6 1/4¢ Rosene 42-1

## Two Swamp Land Scrip Notes

- 518 Mississippi County - Treasurer of the County of Mississippi \$25.00 June 23, 1856 Rotherth-UNL

A very rare note which is unlisted in Rotherth's Arkansas reference. The only other example we can find of a similar note was a \$5.00 piece with the same date which sold for \$450.00 in a 1991 auction. Very Fine. (250-500)

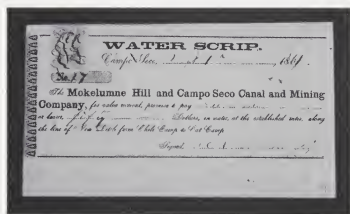

- 519 Mississippi County - Treasurer of the County of Mississippi \$25.00 Dec. 8, 1858 Rotherth-UNL

Also unlisted in Rotherth, and the only note of this type we've ever seen. Very Fine-Extremely Fine, with one barely noticeable tear at the top. (350-700)

- 520 Campo Seco - Mokelumne Hill & Campo Seco Canal & Mining Company \$50.00 Sept. 9, 1867

Counterstamped in dark ink on the back by C.C. Ward & Bro. Wholesale Druggists, 215 Main St., Memphis, Tennessee. The fascinating aspect of this deceptive item is that two enterprising individuals, George Thomas and Henry Mitchell, "a person of color", in 1869 passed the note as United States currency to one Taylor Cain in Madison County, Tennessee. Cain complained to the local authorities and an arrest warrant was issued for Thomas and Mitchell. The note itself, grading **Very Good** is accompanied by the five various legal documents which unfold this 19th century tale of human ethical failings. This set surfaced in Nebraska and may well be unique in private hands. Each note is **Crisp Uncirculated**, and together they make an item worthy of the finest collection. (600-1200)

**ERROR NOTES**

**1136 Remarkable Early Invert**

**Fr. 730 \$1.00 Federal Reserve Bank Note Gem Uncirculated.**

A fantastic note, formerly part of the Grinnell holdings, where this note was sold as part of a cut sheet of these inverts, described therein as "the only one known of this series. A great rarity. Beautiful, Crisp, Unc." Our consignor purchased this note from pioneer dealer Jim Kelly of Ohio at an ANA convention in the mid 1950's, when the sheet was broken up. To his knowledge, and ours, no other notes from the sheet have been publicly offered since that one appearance some forty years ago. This great low number note with an illustrious pedigree will no doubt become one of the highlights of the collection it next enters. (1000-2000)

Inverted third printing, a rare error on early notes of any kind. (125-250)

1143 Fr. 1615 \$1.00 1935-F Silver Certificate. About Uncirculated+.

Third printing shifted far off center. Hard to see how this ever passed the inspectors. (75-150)

1144 Fr. 1613 \$1.00 1935D Silver Certificate. Gem Crisp Uncirculated.

Turned digit in the middle of the right serial number, leaving a small portion of the upper and lower number visible. (25-50)

1145 Double Offset Error

Fr. 1619 \$1.00 1957 Silver Certificate. An unusual error in that roughly 25% of the face has a reverse back image. The same portion of the back has a reverse face image. While offsets are not particularly unusual, double offsets are rarely seen, especially in the Silver Certificates. Very Fine. (150-250)

1146 Fr. 1654 \$5.00 1934-D Silver Certificate. Gem Crisp Uncirculated.

A neat error with two ink smears and part of the left serial number missing. Early \$5.00 Silver errors are quite scarce. (150-300)

Neat corner butterfly fold, scarce on Legal Tender notes. (75-150)

that our next public auction  
will take place in May 1993.

1149 Fr. 1911-A \$1.00 1981 Federal Reserve Note Error Sheet

The well known AH/BH serial number mismatch. The two sheets we offer here are the last of a small group consigned to us by their original purchaser from the Bureau. In our last auction a pair of these sheets brought \$302.50 and \$330.00 respectively. **Gem Crisp Uncirculated.** (300-450)

1150 Fr. 1911-A \$1.00 1981 Federal Reserve Note Error Sheet

A bizarre error combining both a printing and cutting mistake. (100-200)

1153 Fr. 1914-E \$1.00 1988 Federal Reserve Note. About Uncirculated.

The entire third printing is missing, although the embossing is plainly there, suggesting an ink jet printer malfunction. (50-100)

The third printing is light to non-existent. (40-80)

1159 Fr. 1962-B \$5.00 1950-A Federal Reserve Note. Gem Crisp Uncirculated.

Rejected due to stained paper, and with the BEP rejection sticker still affixed. (50-100)

- 1164 Fr. ? \$5.00 Federal Reserve Note. Gem Uncirculated.

A very rare error missing virtually all of the first printing. (150-300)

- 1165 Fr. 2010-H \$10.00 1950 Federal Reserve Note. About Uncirculated.

Another interesting fold-over error. These early errors are considerably more scarce than are those of recent vintage. (100-200)

Excess inking error. (40-80)

A most interesting error in which only the green ink portion of the third overprint is missing. (100-200)

- 1168 Fr. 2026-E \$10.00 1981A Federal Reserve Note. Choice About Uncirculated.

A striking gutterfold error. Two separate gutters pierce the Federal Reserve Bank seal at left. One of the gutterfolds is quite a bit larger and more prominent than typically seen with this type of error. With the growing popularity of misprints this example should realize at least...(100-200)

- 1169 Fr. 2029-G \$10.00 1988A Federal Reserve Note. Gem Crisp Uncirculated.

Third printing on reverse. While Gem for paper quality and centering, the note does have one tiny ink spot at the top margin. (125-225)

**A 10% Buyers' Fee will be added

1170 Fr. 2071-D\* \$20.00 1974 Federal Reserve Note. About Uncirculated.

A quite scarce error on a star note. (75-125)

1171 Fr. 2075-L \$20.00 1985 Federal Reserve Note. Extremely Fine.

A bizarre cutting error. How this one got out of the Bureau is anyone's guess. (200-400)

1172 Fr. 2168-H \$100.00 1977 Federal Reserve Note. Very Fine+.

Very scarce high denomination invert. This one circulated just a bit and has a small written number at the left end but is otherwise bright and crisp. (225-450)

1173 Fr. 2165-B \$100.00 1969-A Federal Reserve Note. About Uncirculated.

Top to bottom gutter fold, with a small tear at the bottom of the fold. (150-225)

1174 Fr. 1935-A \$2.00 1976 Federal Reserve Note. Gem Crisp Uncirculated.

The key piece to any set of modern inverted third printings. This is the first example of this great error that we have had the privilege of offering. We expect fierce competition for this excessively rare note. (500-900)

1175 Fr. 1974-B \$5.00 1977 Federal Reserve Note. Choice Crisp Uncirculated.

A super error of the highest rarity. This note has the entire first impression printed twice, with the double impression clear and sharp over the entire face of the note. The \$20.00 example of this error we offered in January was circulated and still brought \$792. This should be worth at least that figure and very likely more. (600-900)

1176 Fr. 2077-A \$20.00 1988A Federal Reserve Note. Extremely Fine.

Third printing on the back rather than its proper face position. (75-125)

1177 Incredible Bureau Error

Third printing on what appears to be a sizing sheet, used by the Bureau to separate stacks of sheets as they are printed. Unquestionably genuine, and unquestionably excessively rare. The example we offer is one of two known. Previously sold as Lot 987 in our first sale of November 1990, it brought \$825 in a much slower market for errors than we see today. In the two years since that sale no other examples have surfaced, and, with the interest and demand for errors at record heights, we expect this incredible Uncirculated example to end up in the range of... (1000-2000)

## LARGE SIZE TYPE NOTES

### DEMAND NOTES

1299 Fr. 1 \$5 1861 Choice Very Fine. An exceptionally well margined, bright and eye appealing Demand Note. Both signatures are bold and legible, which is rarely the case with this type. The terrific looking green back is almost totally free of circulation soil. None of the folds break the ink. The note has the "look" of a full Extra Fine. All Demand Notes in our opinion are extremely undervalued in today's market. If you have been looking for a very respectable example, this should satisfy you at... (2,000-up)

- 1300 Fr. 1 \$5 1861 Demand Note. Fine. A wonderful, solid New York Demand Note with strong signatures, good margins and not a hint of a defect. The perfect collectible grade for this early "Greenback." (800-up)

- 1301 Fr. 2 \$5 1861 Demand Note. Fine-Very Fine. With margins all the way around and better than average color, this Philadelphia Demand Note is new to the Gengerke census and is clearly in the top half of the known population for condition. Worth... (1,500-up)

- 1302 **Fr. 2 \$5 1861 Demand Note. Fine+.** A very attractive example of our earliest federal issue. There are no problems, repairs or distracting marks of any kind and all the inks are bright and sharp including the pen signatures. (1000-up)

- 1303 **Fr. 2 \$5 1861 Demand Note. Fine.** A very good looking Philadelphia Demand Note with strong signatures and excellent color. Its only flaw is a scattering of pinholes and one hole that is slightly larger than the head of a pin. (700-up)

- 1304 **Fr. 3 \$5 1861 Demand Note. Fine.** Good signatures, decent color and with no problems of any kind. This is an attractive, collectible Demand Note from Boston. (800-up)

- 1306 **Fr. 16 \$1 1862 Choice New.** A near Gem example of our earliest \$1 bill. (350-up)
- 1307 **Fr. 16 \$1 1862 Choice New.** Strictly original and very good looking. (350-up)

- 1308 **Fr. 16 \$1 1862 Choice New.** Exceptionally vivid colors..(350-up)

- 1314 **Fr. 16 \$1 1862 Fine.** Superior ink color and no problems. (90-up)
- 1315 **Fr. 17a \$1 1863 Choice New.** A bit of light handling and one slightly rounded corner keeps this beautiful note from the Gem grade. (450-up)
- 1316 **Fr. 17a \$1 1862 Choice New.** Much scarcer than the Fr. 16, this note has exceptionally bright colors, better than average margins and full fresh originality. (450-up)

- 1326 **Fr. 20 \$1 1875 New.** The colors are very bright but there is a light brown stain at the left serial number. (125-up)

- 1327 **Fr. 25 \$1 1875 Series E Very Fine,** with some justifiable claims to Extra Fine. A single hard centerfold and some very minor discoloration are the only flaws on the very rare note, which has clearly not seen circulation, as it has no soil and the original paper surfaces are as made but for the fold. Although not enumerated individually by Gengerke, he rates the note an R5, indicating less than 75 are believed to exist. We believe the rating to be generous, as we have seen far fewer. Worthy of a bid in excess of (750-up)

- 1334 **Fr. 28 \$1 1880 About New.** (75-up)

- 1339 **Fr. 31 \$1 1880 Gem New.** A gorgeous and very rare note, particularly so in this grade. The bright orange seal and deep blue serial numbers contrast beautifully with the jet black ink and pure white paper. Deep original embossing and a beauty in every way. (1750-up)

- 1340 **Fr. 31 \$1 1880 Very Choice New.** A near Gem example of this very rare Friedberg number. Excellent color, far above average centering and exquisite, deep, original embossing. A lovely and very rare note. (1500-up)

- 1344 **Fr. 32 \$1 1880 Choice Extra Fine.** A lovely high grade example of this rare sub-type. The bright paper, deep blue serial numbers, jet black ink and large brown seal combine to create a boldly handsome appearance. Significantly more attractive than the Extra Fine in our January, 1992 Orlando Sale which sold for \$475 plus the 10% buyer's fee. (600-up)

- 1351 **Fr. 36 \$1 1917 Gem New.** A lovely consecutive pair. (2 pieces) (225-up)

- 1352 **Fr. 36 \$1 1917 Gem New.** A second consecutive pair of Gems just one number away from the previous lot. (2 pieces) (225-up)

- 1354 **Fr. 37 \$1 1917 About New.** Unusually well centered. (45-up)

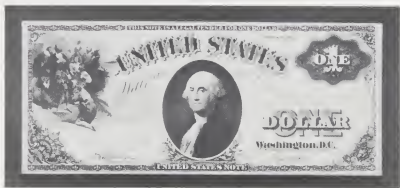

- 1355 **Fr. 37 \$1 1917 Star. Gem New.** A common (55 known) star, but in top grade, this is a hard to find note. (200-up)

- 1356 **Fr. 37a \$1 1917 Very Fine.** The transposed signature variety with Burke on the left and Elliot on the right. With this note the total known for this Friedberg Number rises to 32. All known examples are from face plate 1519. (150-up)

1389 **Fr. 40 Dealers Lot.** Ten lovely, crackling fresh \$1 1923 **Choice New Notes.** (10 pieces) (1600-up)

1390 **10% of an Original Pack.** A beautiful original group of \$1 1923 Fr. 40s. All are from the same pack, all grade **Choice New** with excellent paper surfaces, and all are bright and clean. There are three consecutive pairs among the group. (10 pieces) (1600-up)

1396 **Two \$1 1923 Fr. 40s.** One is **Very Fine** with the red bleeding through to the back and the second is a nice **Choice New** with the interesting serial number A4411B. (2 pieces) (250-up)

1397 **Fr. 41 \$2 1862 Choice About New.** An unusually good looking note of this series with razor sharp printing and exceptional color. Just a corner fold and a single closed pinhole away from **Choice New**. (700-up)

1398 **Fr. 41a \$2 1862 New.** Clean, fresh and vivid, very nearly **Choice**. An attractive example of this early and popular type. (850-up)

1399 **Fr. 41a \$2 1862 Choice About New.** Original paper surfaces but there is a counting smudge around the corner and a half dozen small pinholes. (550-up)

1400 **Fr. 42 \$2 1869 Gem New.** A very scarce note in this grade. Original, colorful, and well centered. Up to and including the twenty, this \$2 note is the key to an 1869 set in **Gem** condition. (2000-up)

1401 **Fr. 42 \$2 1869 New.** Would be **Choice** but the left margin has a glue stain and has been trimmed. (800-up)

1402 **Fr. 42 \$2 1869 Fine.** A very nice circulated Rainbow Two with lots of good color left. Perfect for the grade. (175-up)

1403 **Fr. 43 \$2 1874 Very Fine.** A nice looking example of this very difficult Friedberg number. (150-up)

1404 **Fr. 44 \$2 1875 Very Fine.** A beautiful circulated note that could be mistaken for **New** at first glance. Above average centering and great color; a premium collector's note. (120-up)

1405 **Fr. 45 \$2 1875 Extra Fine.** The very rare **Series A** note. This great note from the University of Missouri holdings is the first Fr. 45 we have had the opportunity to offer in any of our sales. Deceptively difficult to locate, it can be years between offerings of this Friedberg number in any grade. The currently offered example is a real beauty with bright red color and excellent margins. If you have been looking for this Friedberg number, don't let this opportunity pass you by. (500-up)

- 1406 **Fr. 46 \$2 1875 Fine.** The very rare Series B note. Another extremely elusive Friedberg number from the University of Missouri holdings. This rare note is perfect for the grade and has no problems at all but for a dirt smudge at the lower left of the back. This is the first Fr. 46 we have had the opportunity to offer. (250-up)

- 1407 **Fr. 47 \$2 1875 Choice Very Fine.** Unusually attractive for the grade and without a flaw. (100-up)

- 1408 **Fr. 48 \$2 1878 Choice New.** A very nearly Gem example of this deceptively scarce note. Almost never seen fully Uncirculated. (450-up)

- 1409 **Fr. 48 \$2 1878 New.** But for a close bottom margin this very scarce note is quite Choice. (350-up)

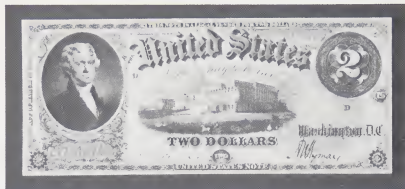

- 1410 **Fr. 48 \$2 1878 New.** A lovely example of this very scarce note which would be a Gem if it had a top margin. Fr. 48 is very underrated in high grade and this is a beautiful, bright example. (350-up)

- 1411 **Fr. 50 \$2 1880 Gem New.** Good looking and deeply original. It is our opinion that these brown seal deuces are undervalued in this grade. (350-up)

- 1414 **Fr. 52 \$2 1880 Choice New.** Pretty brown seal deuce. (200-up)

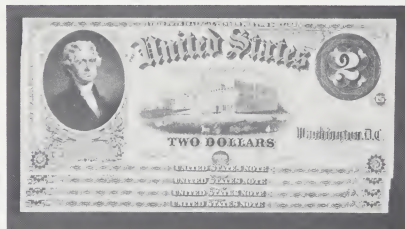

- 1415 **Fr. 53 \$2 1880 Very Fine.** A rare and undervalued note. This blue serial number large orange seal deuce is seldom seen in any grade. (300-up)

- 1416 **Fr. 56 \$2 1880 New.** Gem in every way but for a tiny brown spot on the back and slightly soft corners. (150-up)

- 1417 **Fr. 57 \$2 1917 Choice New.** A near Gem example. (125-up)

- 1418 **Fr. 59 \$2 1917 New.** Nice in every way but close at the top. (80-up)

- 1419 **Fr. 60 \$2 1917 Gem New.** Three consecutive notes, all extremely nice. (3 pieces) (475-up)

- 1421 **Fr. 60 \$2 1917 Choice New.** (100-up)

- 1422 **Fr. 60 \$2 1917 Choice New.** Very nearly Gem. (125-up)

1423 **Fr. 60 \$2 1917 Choice New.** Fresh and original. (100-up)

1424 **Fr. 60 \$2 1917 Choice New.** (100-up)

1425 **Four Fr. 60 \$2 1917.** All four grade Extra Fine but two are quite soiled on the back. (4 pieces) (140-up)

1426 **Complete Set of 1917 Two Dollar Notes.** Fr. 57 Extra Fine; Fr. 58 Extra Fine; Fr. 59 Very Fine; Fr. 60 About New. All four notes are attractive and defect free. (4 pieces) (140-up)

1427 **Fr. 61a \$5 1862 Gem New.** A very unusually nice example of this early Legal Tender Note. The margins are all generous and although the top is a bit irregular, it does not detract in the least. (750-up)

1428 **Fr. 61a \$5 1862 Choice New.** Just one serial number lower than lot 1323 from our January, 1992 Sale. The left margin is just touching the design but the color and overall quality is outstanding. (500-up)

1429 **Fr. 61a \$5 1862 New.** Deeply original, very bright but with tight margins. The right margin cuts the design. (400-up)

1430 **Fr. 61a \$5 1862 Fine.** Well margined with good color; perfect for the grade. (100-up)

1431 **Fr. 63 \$5 1863 Choice About New.** Just a corner-tip fold away from Choice New. (300-up)

1432 **Fr. 63a \$5 1863 Gem New.** Exceptional margins and excellent ink color. In our opinion these early notes in top grade are very undervalued. (750-up)

1433 **Fr. 63a \$5 1863 Gem New.** Beautiful bright red, green and black ink colors. A premium early note with margins far above average. (750-up)

1434 **Fr. 63a \$5 1863 Choice New.** Original and exceptional in every way but for the top margin which is a bit close at the right. (500-up)

1435 **Fr. 63b \$5 1863 Extra Fine.** Perfect for the grade with unusually large margins and strong color. (250-up)

1436 **Two 1862 Fives.** Both are Fr. 61a, one grades Good and the other Very Good-Fine. (2 pieces) (100-up)

1437 **Fr. 64 \$5 1869 Choice New.** A nice Rainbow Five with better than average centering. (500-up)

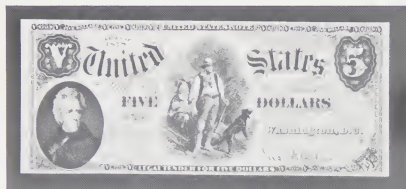

1438 **Fr. 64 \$5 1869 New.** A Gem in every respect but for the margins which are quite skewed and range from exceptionally large to very small on various and sundry angles. At no point is the design cut. (350-up)

- 1439 Fr. 65 \$5 1875 Choice New. Unusually nice centering and good originality. (250-up)

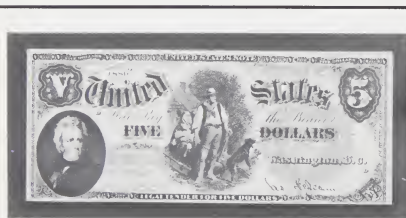

- 1440 Fr. 68 \$5 1875 Gem New. Excellent color, unusually nice margins and heavy original embossing. (350-up)

- 1441 Fr. 68 \$5 1875 Choice New. Strictly original and most attractive. (200-up)

- 1442 Fr. 69 \$5 1878 Very Choice New. Bold red color on a note where the red is often a light pink. (350-up)

- 1443 Fr. 70 \$5 1880 Extra Fine. Very high grade for this truly rare note. This beautiful specimen from the University of Missouri holdings is a virtual twin to the example from our January 1992 Sale (lot 1330) which brought \$1155. This example brings the number of known pieces in all grades to 9. (1000-up)

- 1444 Fr. 72 \$5 1880 Choice About New. Deeply original and beautiful. (125-up)

- 1445 Fr. 73 \$5 1880 Choice New. Good color and deep original embossing on this scarce type with the large plain round seal. (500-up)

- 1446 Fr. 74 \$5 1880 Very Choice New. Great color and paper original; a full Gem if the margins were a bit bigger. (500-up)

- 1447 Fr. 75 \$5 1880 Fine-Very Fine. (100-up)

- 1448 Fr. 76 \$5 1880 Fine-Very Fine. The scarce variety with the large, orange spiked seal. (150-up)

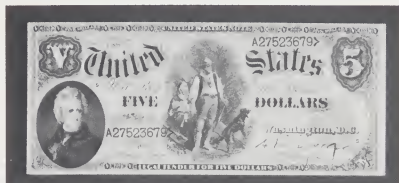

- 1449 Fr. 77 \$5 1880 About New. A single center fold, a rust spot below the seal and two rounded corners. The ink colors are spectacular and bidders should not let the flaws detract from the fact that this is an extremely difficult note to find in any grade. (300-up)

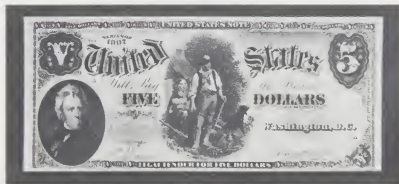

- 1450 Fr. 78 \$5 1880 Gem New. Deep original embossing, perfect ink color, and sharp clear printing. A real beauty of a note from the holdings of the University of Missouri and a very rare item in this grade. (1000-up)

1451 **Fr. 79 \$5 1880 Choice About New.** Very attractive with great color. (100-up)

1452 **Fr. 80 \$5 1880 Choice New.** (200-up)

1455 **Fr. 85 \$5 1907 Choice New.** (110-up)

1457 **Fr. 87 \$5 1907 Choice About New.** Color and centering of Gem but a single light center fold. (90-up)

1458 **Fr. 91 \$5 1907 Choice New.** Bright and original. (130-up)

1459 **Fr. 91 \$5 1907 Choice New.** (125-up)

1463 **Four Series of 1880 \$5 Pioneers.** Fr. 71 Very Fine; Fr. 80 Very Fine; Fr. 81 Choice Extra Fine and Fr. 82 Choice Very Fine. (4 pieces) (200-up)

1464 **Five Different 1907 Five Dollar Pioneers.** Fr. 88 Choice Extra Fine; Fr. 89 Very Fine; Fr. 90 Choice Very Fine; Fr. 91 Extra Fine; and Fr. 92 Very Fine. All five notes are totally problem free. (225-up)

1465 **Four Early Five Dollar Legals.** Fr. 65 1875 Fine; Fr. 66 1875 series A Very Fine but with corners rounded and rough; Fr. 67 1875 series B Very Fine but dark and with badly rounded corners; Fr. 69 1878 Very Fine. (4 pieces) (225-up)

1466 **Fr. 93 \$10 1862 Fine.** Approaching Very Fine, extremely nice looking with none of the normal problems associated with this early issue. (300-up)

1467 **Fr. 95b \$10 1863 Superb Gem New.** The finest example of an 1863 \$10 note that we can ever remember seeing. Huge margins, square corners, beautiful colors and not a single edge split which is the plague of these early thin paper issues. A superb note that is worth whatever it takes to get it. (2500-up)

1468 **Fr. 95b \$10 Choice About New.** Great looking early note with two tiny closed edge tears. The colors are exceptionally bright! (800-up)

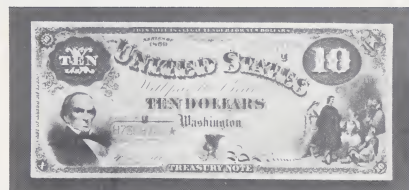

- 1469 Fr. 95b \$10 1863 About New. Good color but two margin tears, one extremely short, the other almost 1/2 inch. (650-up)

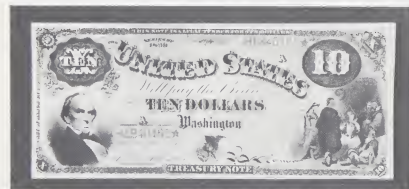

- 1470 Fr. 95b \$10 1863 Choice Very Fine. Super color, wonderful centering and absolutely defect free. A more pleasing note to own than most technically uncirculated examples. (500-up)

### AN INCREDIBLE COMPLETE RUN OF JACKASS TENS

- 1471 Fr. 96 \$10 1869 Gem New. An exceptionally attractive Rainbow Ten with huge margins, bright colors, and perfect centering on both sides. The back, which on this design is so large that it is almost always cut by a margin, is way clear both top and bottom. (1800-up)

- 1472 Fr. 96 \$10 1869 Gem New. Exceptional centering, excellent color and terrific eye appeal. An outstanding example of this popular Rainbow Note. (1750-up)

#### REMINDER —

**A 10% Buyers' Fee will be added to all successful bids.**

- 1473 Fr. 96 \$10 1869 Gem New. A very attractive, totally original Rainbow Ten. (1750-up)

- 1474 Fr. 96 \$10 1869 New. Fully uncirculated but skewed margins and two slightly rounded corners. The color is excellent! (650-up)

#### Very Rare Fr. 97

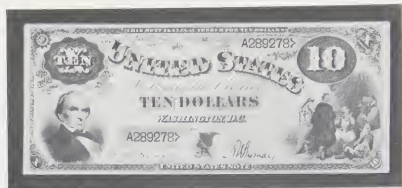

- 1475 Fr. 97 \$10 1875 Choice Extra Fine. One of just nine examples known and unlisted in the Gengerke reference. This beautiful note could easily pass for uncirculated when viewed from the face. Bright and clean with exceptional margins and excellent centering face and back. This is the first Fr. 97 we have had the pleasure of offering and it is only when major collections, such as the one offered here, are being dispersed to the collecting fraternity that notes of this caliber reach the market. This sale is the first time in numismatic history that both a Fr. 97 and an Fr. 109 are offered in the same auction. Of the eight pieces listed in Gengerke (not including this newly discovered piece) only two are graded better than Very Good, an About New and an About New that has been laminated. In a side by side comparison, this note could well be the finest of the nine known pieces. (3500-up)

- 1476 Fr. 98 \$10 1875 Very Fine. A lovely, well margined example of this "Series A" note. No problems of any kind and exceptionally clean for the grade. (350-up)

1477 Fr. 99 \$10 1878 Very Fine. Very good looking example of this scarce note. Well margined and defect free. (325-up)

1478 Fr. 100 \$10 1880 Fine-Very Fine. A difficult number to locate in any grade. (125-up)

1479 Fr. 101 \$10 1880 Fine-Very Fine. Another very difficult number to find and a perfect mate to the Fr. 100 offered above. (125-up)

1482 Fr. 103 \$10 1880 Gem New. A well centered, striking example of the large red plain seal type. Not many of the notes from the outstanding University of Missouri consignment are uncirculated, however, those that are uncirculated are extremely clean and fresh. This is one of those notes! (1000-up)

1480 Fr. 102 \$10 1880 Gem New. Unbelievably perfect. Super margins, exact centering on both sides, and deep original embossing. There are less than a dozen type notes of this quality in this sale and this one is a very scarce Friedberg number to add to its desirability. (1000-up)

1481 Fr. 102 \$10 1880 Very Choice New. A beautifully fresh, perfect clean note with deep original embossing. This University of Missouri note would be a perfect Gem if the bottom margin were just a tiny touch bigger. A very difficult type to find in this high a grade. (600-up)

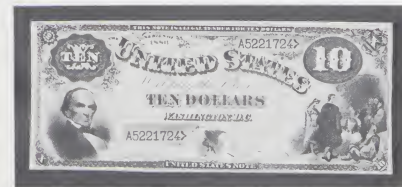

1483 Fr. 103 \$10 1880 Extra Fine. A super looking original note with the crispness, originality and eye appeal of a Gem, but with a few inconspicuous vertical folds. An ideal collector note. (350-up)

1484 Fr. 104 \$10 1880 Very Fine. A seldom seen Friedberg number. (200-up)

1485 Fr. 105 \$10 1880 Very Fine. Beautiful from the face but the back shows some circulation soil. When viewed from the face, this note appears New at first glance. This large plain red seal type is overlooked and underrated. (225-up)

1486 Fr. 106 \$10 1880 Gem New. Another gorgeous "Jackass Ten" from this complete run. This is the first time in numismatic history that a complete set of "Jackass" notes has been offered at auction. (1000-up)

1487 Fr. 106 \$10 1880 About New. The scarce orange seal Jackass. (350-up)

**DUPLICATES?**  
**CONSIGN THEM TO OUR**  
**MAY 1993 SALE!**

- 1488 **Fr. 106 \$10 1880 Choice Extra Fine.** A few light folds, but clean, original and perfectly centered between four large margins. A very good looking note. (325-up)
- 1489 **Fr. 107 \$10 1880 Fine-Very Fine.** A seldom seen number. (200-up)

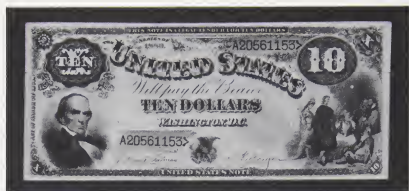

- 1490 **Fr. 108 \$10 1880 Very Choice New.** Original and crackling fresh; this would be a perfect Gem if the bottom margin was a bit bigger. It still ranks as one of the finest we've seen of this brown seal, blue serial number sub-type. (600-up)

### Fr. 109, One of Two Known

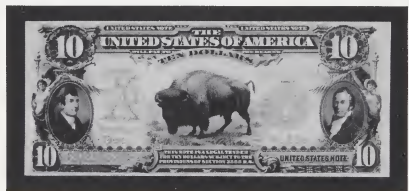

- 1491 **Fr. 109 \$10 1880 Extra Fine.** Until the discovery of this piece in the University of Missouri holdings, Fr. 109 was considered to be represented by a single piece, which was first offered in a 1979 Lyn Knight Price List and was subsequently held in an eastern collection for many years. The only other market appearance of that previously unique piece was in Lyn Knight's October, 1991 sale where it realized \$16,000. Both pieces are in the same grade and a side by side comparison, which may well take place before the hammer falls on this note, would be necessary to ascertain finest known. The present example is reasonably well centered and boldly printed with bright colors on both sides and has areas of original embossing remaining. The only distractions to this otherwise perfect Extra Fine are two minor areas of moisture contact at the top, one of which has slightly softened the upper edge of the note over an area of about 3/4 of an inch. A note of this extreme rarity will certainly exceed the five figure mark and will likely bring... (12,500-up)

- 1492 **Fr. 110 \$10 1880 Choice About New.** A corner fold away from Choice New. The note is nice and original but the margin is a bit tight at the upper left. (250-up)

- 1493 **Fr. 111 \$10 1880 About New.** Extremely generous margins and nice original paper quality. One light corner fold away from Choice New. (300-up)
- 1494 **Fr. 111 \$10 1880 Fine.** Well centered and without any problems. Perfect for the grade. (100-up)
- 1495 **Fr. 113 \$10 1880 Extra Fine.** Very good looking but flat. (150-up)
- 1496 **Fr. 113 \$10 1880 Fine.** Flawless for the grade. (100-up)
- 1497 **Two Nice 1880 Tens. Fr. 111 Fine-Very Fine and Fr. 112 Choice Very Fine.** (2 pieces) (225-up)

### A COMPLETE SET OF BISON TENS

- 1499 **Fr. 115 \$10 1901 Fine-Very Fine.** Fully Very Fine from the face, but the back is a bit soiled. (225-up)
- 1500 **Fr. 116 \$10 1901 Extra Fine.** A light stain and a scuffed area, both on the back. The note appears Choice About New from the face. (400-up)

- 1501 Fr. 116 \$10 1901 Very Fine. (275-up)
- 1502 Fr. 116 \$10 1901 Very Good. (100-up)
- 1503 Fr. 117 \$10 1901 About New. Super clean with exceptional margins and color. (550-up)
- 1504 Fr. 117 \$10 1901 Extra Fine. Wonderful eye appeal! The note looks better than the grade would suggest. (400-up)
- 1505 Fr. 118 \$10 1901 Choice Extra Fine. Three pinholes away from perfection for the grade. (400-up)
- 1506 Fr. 118 \$10 1901 Extra Fine. Extremely bright red ink on this nice collector grade Bison. (450-up)
- 1507 Fr. 119 \$10 1901 Very Fine-Extra Fine. One of the Bison signature combinations that seldom come up. (325-up)

### Unique Star Note

- 1508 Fr. 119 \$10 1901 Star Very Fine. Unique! The only Star known of this Friedberg number, listed in the Murray Reference by serial number and graded there as Extra Fine-AU. A very significant opportunity for the Star Note collector, as you will need this very specimen if you ever wish to own a complete signature combination star set. (1000-up)

- 1509 Fr. 120 \$10 1901 Very Fine. Light brown stain at the left. (225-up)

- 1510 Fr. 121 \$10 1901 Gem New. A lovely Bison with exceptional margins, super color, sharp clear printing and lots of eye appeal. (1200-up)

- 1511 Fr. 121 \$10 1901 Extra Fine. Bold red seal and nice margins. (425-up)
- 1512 Fr. 121 \$10 1901 Extra Fine. Appears to be higher grade at first glance. Flat and somewhat soft but the color is still good. (400-up)
- 1513 Fr. 121 \$10 1901 Very Fine. (275-up)

- 1514 Fr. 122 \$10 1901 Gem New. A group of notes like the present offering lessens the impact of each individual note. Do not get the impression that high quality Bisons, like this one, will always be available in quantity. Often there is not a single Bison this nice on the floor of a major show. (1200-up)
- 1515 Fr. 122 \$10 1901 Choice About New. Two corner folds on this near perfect Bison. (600-up)
- 1516 Fr. 122 \$10 1901 Choice Extra Fine. Huge margins and exceptional centering. (475-up)

- 1517 Fr. 122 \$10 1901 Extra Fine. A nice original three fold note with no soil or problems of any kind. The perfect lightly circulated Bison type note. (450-up)
- 1518 Fr. 122 \$10 1901 Extra Fine. Perfect for the grade but for a small rust spot at the bottom of the right border. (400-up)
- 1519 Fr. 122 \$10 1901 Very Fine. Original and perfect for the grade, close to Extra Fine. (350-up)
- 1520 Fr. 122 \$10 1901 Very Fine. An original untouched note, extremely attractive for the grade. (300-up)

- 1521 Fr. 122 \$10 1901 Very Good. (100-up)

- 1522 Fr. 123 \$10 1923 Very Choice New. A near Gem example of this rare type. Bold red color and terrific printing quality. This type is the rarest of the major twentieth century type notes. (2000-up)

- 1523 Fr. 123 \$10 1923 Choice New. A beautiful, original, well margined example of this rare twentieth century type notes. (1500-up)

- 1524 Fr. 123 \$10 1923 Very Fine. A well margined example of this elusive type note. (500-up)

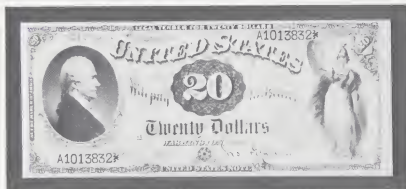

- 1525 Fr. 126b \$20 1863 Very Good-Fine. The extremely rare variety with two serial numbers both located high on the note. Of the approximately 75 Fr. 126b notes listed in Gengerke reference, this is the only note listed with the high serial numbers. Very rare indeed! (1250-up)

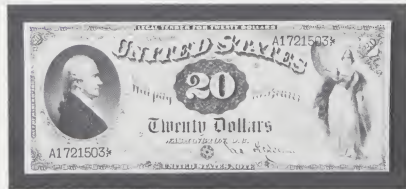

- 1526 Fr. 127 \$20 1869 Very Choice New. A near Gem example of this scarce and extremely popular type note. Excellent color and super margins, this beautiful Rainbow has its original paper quality and is flawless but for a minor repair apparently of a pinhole. There is a second thick spot in the paper near the repair but it is inconspicuous and a natural as made part of the note. (2750-up)

- 1527 Fr. 129 \$20 1878 Gem New. Gorgeous example of this classic looking early note. The red seal and red double Xs are extremely bold. Three of the four margins are huge with the bottom margin a bit smaller but plenty big enough for the Gem classification. A stunning looking note worth a stretch bid to acquire. (2000-up)

- 1528 Fr. 129 \$20 1878 Very Choice New. Wonderful red, blue, black and green inks on creamy white paper. This is the same watermarked blue stain paper that was used for the fourth issue of Fractional Currency. (1500-up)

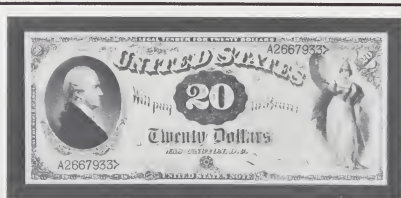

- 1529 Fr. 129 \$20 1878 Choice New. Another Fr. 129. This one is somewhat short of the Gem category, but a lovely example nonetheless. (1200-up)

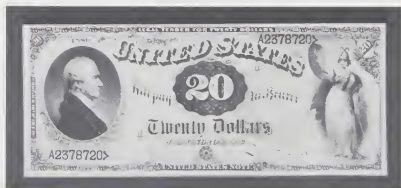

- 1530 Fr. 129 \$20 1878 Choice About New. A single corner tip fold away from Choice New. Worth much more than an average About New note. (1000-up)

- 1531 Fr. 135 \$20 1880 Fine. The scarce type with the large plain red seal. Margins somewhat irregular. (175-up)

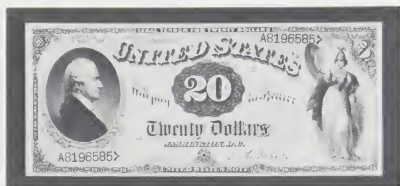

- 1532 Fr. 136 \$20 1880 Gem New. An absolutely superb example with snappy paper quality, great originality, extraordinary margins and perfect centering both sides. A type note this lovely would be a centerpiece in any collection. (2000-up)

- 1533 Fr. 136 \$20 1880 Choice About New. A scarce note with a single center fold and not a hint of soil. (700-up)

- 1534 Fr. 137 \$20 1880 Gem New. A scarce signature combination on this beautiful original note which is 15 serial numbers away from Lot 1395 of our January, 1992 Sale. Listed by Gengerke from a 1981 Bebee price list. (1000-up)

- 1535 Fr. 140 \$20 1880 Gem New. Crackling fresh with great paper originality and exceptional centering on both sides. A difficult note to find this nice. (1000-up)

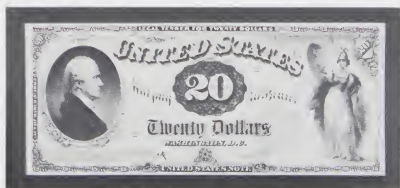

- 1536 Fr. 142 \$20 1880 Choice New. Original, attractive, and sharply printed. (700-up)

- 1537 Fr. 143 \$20 1880 Fine. Nice for the grade. (100-up)

- 1538 Fr. 144 \$20 1880 Fine. Solid for the grade and quite a rare note with less than 25 known. (125-up)

- 1539 Fr. 144 \$20 1880 Fine. (100-up)

- 1540 Fr. 147 \$20 1880 Gem New. This clean, well centered example is a difficult note to find. Although Fr. 147s are fairly common even in high grade, they are usually quite dingy. This note is a happy exception. (900-up)

- 1541 Fr. 147 \$20 1880 Very Choice New. Oh, so close to Gem and nearly a twin to the note offered above. (800-up)

- 1542 Fr. 147 \$20 1880 Extra Fine. Clean and attractive, a nice collector grade type note. (275-up)

- 1543 Fr. 147 \$20 1880 Star Very Good. One of just 12 listed in the Murray reference. A solid Very Good without a hint of flaw. (200-up)

- 1544 Fr. 164 \$50 1880 Choice About New. An absolutely superb appearing note with more eye appeal than any uncirculated example of this same number that we have ever seen. Ideally centered between four huge margins, with the front appearing absolutely Gem and the lightest of centerfolds visible only on the back when viewed at exactly the proper angle. Notes like this always sell for far in excess of the Green Sheet wholesale AU column. We would be very surprised if this note did not top... (2500-up)

- 1545 Fr. 167a \$100 1863 Fine-Very Fine. This Spread Eagle has the initial appearance of a full Very Fine. It is the highest known serial number of the 24 listed in the Gengerke reference. This thin paper issue is typically plagued by edge splits and missing pieces at the margins. Because of just such problems this note was offered at a lower grade in the past. It has since been expertly restored about the edges and shows not a trace of such difficulties. None of the major design area was affected by the splits and the note with its bright colors and strong inking characteristics gives the visual impression of a higher grade than we assign. An overall superior example of this tough early issue which we are pleased to offer to the collecting public. (4500-up)

**Choice New 1869  
\$100 Rainbow  
Fr. 168**

- 1546 Fr. 168 \$100 1869 Very Choice New. While there are 22 listed in Gengerke, six are in institutional holdings and only two of the other 16 have been in the market place in the last 13 years, as these notes are very tightly held by serious collectors. The presently offered example is one of only three uncirculated pieces that are not in institutional holdings and it is only four digits higher than the previous uncirculated note to reach the market, which was offered on a 1979 fixed price list at \$49,500. Well margined and with excellent centering, this great note exhibits superior paper quality with its original embossing. It has the look and feel of a note which came off the press yesterday. Printed on the same paper as many of the fourth issue Fractional Notes, it has the blue security stain and the repetitive US US watermark. The blue tint in contrast with the red serial numbers and seal give this piece its Rainbow designation. The beauty, rarity and exquisite condition of this note combine to make it the highlight of this sale. (35000-up)

- 1547 Fr. 171 \$100 1878 New. One of just 13 known pieces, six of which are in institutional or government collections. This is the only uncirculated piece available to collectors as the only other is in the American Numismatic Association's Museum courtesy of the late Aubrey Bebee's generous contribution. Last on the market in 1974, this note brought \$11,000 when sold at auction. The only other high grade example to sell in the last three decades was the Ex-Grinnell Very Fine sold for \$14,500 in 1979. This note has wonderful ink and paper quality but the centering is unfortunately skewed with the margins ranging from large to small on both the face and the back as apparent in the photograph. Other than the centering and a counting mark, this incredible rarity is flawless. (15000-up)

- 1548 Fr. 172 \$100 1880 Fine. Evenly circulated and attractive appearing with better than normal centering. From Stack's FPL, January, 1989, where it sold for \$2,600. One of just eight examples known. With the growing emphasis on rarity rather than condition, this great note should bring considerably more now. (3000-up)

- 1549 Fr. 183a \$500 1862 Gem New. An absolutely superb wide margin proof of this unobtainable back design. Mounted on the original card where it was printed, as the design is embossed through the card to the back. Only two notes are known of this design type, one of which has not been seen since the Grinnell Sale. The Gengerke reference lists only one known proof of this back and it is a Very Fine with six cancellation holes. This pristine example is without a flaw. (1250-up)

- 1550 Fr. 192-b \$50 1864 Compound Interest Treasury Note. Previously sold by us as Lot 550 of our May 1991 sale where it was described "A hole cancelled severed bottom half of this rare note. Severed bottom halves of Interest Bearing and Compound Interest Notes are occasionally seen although they are usually of lower denominations. It appears as though these were cut, cancelled and saved by the Treasury for some record keeping purpose after redemption. This bottom portion grades Extra Fine and would make an interesting addition to a specialized collection as only 12 whole notes are known." In that sale it realized \$467.50 on an estimate of \$300-up. Now worth... (?)

## INTEREST BEARING NOTES

- 1551 Fr. 196 \$10 1863 Interest Bearing Note Very Fine. Ex F.C.C. Boyd, New Netherlands Coin Company and Robert Friedberg. One of only about 30 known and in the upper half of the condition census. This attractive lightly circulated piece retains much of its original color, with a sharp red seal and vivid green overprint. Despite its technical grade of Very Fine, this is one of the nicest looking of this issue we have ever seen. (3500-up)

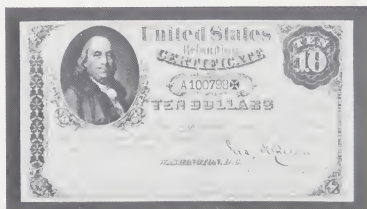

- 1552 Fr. 197a \$20 Interest Bearing Note Fine. Evidence of multiple repaired splits at the edges. Nevertheless, overall quite presentable. One of only 31 pieces enumerated by Gengerke. A rare piece in an affordable grade. Certainly nice enough for a realization of... (3500-up)

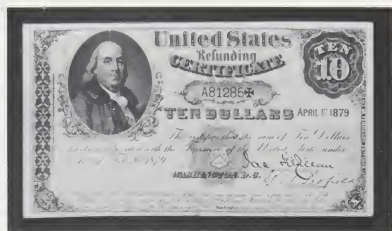

## 1553 Fr. 203(a?) \$50 Interest Bearing Note Two Years.

Previously sold by us as lot 551 of our May 1991 sale, described there "This is the bottom half of an unlisted \$50 Interest Bearing Note. At a glance it appears to be Fr. 203 but it is not. Fr. 203 reads "with interest at 5% per annum payable at maturity Washington." This note reads "with interest at 5% per annum payable semi-annually December 1, 1863. The last 6 months interest will be paid with this note." The present note has two of its three coupons remaining. The grade is About New with several hole cancels. Hessler lists in his "An Illustrated History Of U.S. Loans," the two year Interest Bearing Notes as "X138." His "X138A" (945c) apparently is Fr. 203 of which 136,000 were issued, 115 are outstanding and four are known (Gengerke lists 6); these have no coupons. Hessler's "X138B" (945d) with 118,112 issued, 38 outstanding and none known is listed as having coupons and is apparently this note. It appears that this note should be listed in Friedberg as Fr. 203a. Since this is a discovery note, it is extremely desirable to the serious collector or researcher even though only the bottom half of the note is present." At that sale it sold for \$451. Now worth... ## REFUNDING CERTIFICATES

- 1554 Fr. 214 \$10 1879 Choice About New. From Lyn Knight's July, 1986 Sale, lot 416. Very careful examination will be necessary to detect the single light horizontal fold near the top of the note. The piece retains full original color of both paper and ink. Although it has the blue security stain and fibers, it is lacking the repetitive "US US" watermark. Broadly margined and with terrific eye appeal, and better looking than many notes sold as uncirculated. Well worth.... (3000-up)
- 1555 Fr. 214 \$10 1879 Refunding Certificate. Listed in the Gengerke reference as one of roughly 100 known. The note appears to grade uncirculated with a few pinholes and minor edge imperfections, but has been silked and the paper shows some aging. Part of a run of uncirculated notes enumerated in Gengerke, where it is listed as "CU, silked." A difficult item to estimate, but we would expect it would bring over Green Sheet Fine bid of \$600. (600-up)

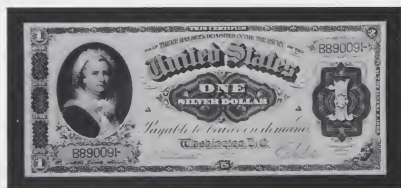

- 1556 Fr. 214 \$10 1879 Refunding Certificate Choice Very Fine. Scarce and in demand, particularly in this nice collector grade. (900-up)

The nicest of the three uncut sheets of \$1.00 1899 Silver Certificates we are privileged to offer in this sale. While uncut sheets of National Bank Notes are readily available, it is quite unusual to encounter uncut sheets of Large Size Type. This example is bright and shows only the faintest folds in the margins between the notes. There are no folds within the design area of the notes themselves. It will be some time before a sheet this nice is again available to the collecting fraternity. (5000-up)

- 1607 Fr. 226a \$1.00 1899 Silver Certificates - Uncut Sheet of Four, Extra Fine. Folded between all four notes, but with the design areas of the notes free from folds. The second of the three uncut sheets of this issue offered in this sale. Bright and attractive. (3500-up)

- 1704 Fr. 267 \$5 1891 Superb Gem New. From the standpoint of quality, this is one of the finest notes, if not the single finest, of the entire type note section. Huge margins all the way around, deep original embossing, superb ink and paper qualities. A simply flawless note and a type that is difficult to find in even ordinary grades. If you are looking to put away some notes in the finest possible condition, this would have to be one of them. (4000-up)

- 1705 Fr. 267 \$5 1891 Very Fine. These 1891 fives are far scarcer than the 1886 Silver Dollar Backs yet bring far less money. In our opinion, they are extremely undervalued. This perfect Very Fine will be hard to duplicate once it's gone. (250-up)

- 1706 Fr. 268 \$5 1896 Gem New. A superb \$5 Educational with boardwalk margins that frame the note perfectly. The inking, color and paper quality are just as they should be on this crackling fresh original note. (3750-up)

- 1712 **Fr. 269 \$5 1896 Choice About New.** A superb looking \$5 Educational that would pass for a Gem under all but the most expert scrutiny. But for the barest hint of a center fold, this note would be a \$3,500. Gem! (1750-up)

- 1758 **Fr. 289 \$10 1880 Choice New.** A new note to the census from the B71133XX hoard. This example is nicer than most from that group as the corners are sharper and the margins are larger. The only close margin is at the bottom right. (1800-up)
- 1759 **Fr. 289 \$10 1880 Fine.** A scarce type note that is underrated in our opinion. (450-up)

- 1760 **Fr. 291 \$10 1886 Very Fine.** The highest serial number known of the nine pieces recorded by Gengerke. Bright and clean with good color and margins. While Fr. 297 is considered a major rarity, the Fr. 291 usually goes unnoticed. However, the reality is that there are eight recorded Fr. 297's and nine Fr. 291's. Don't let this rarity slip away. (1000-up)
- 1761 **Fr. 291 \$10 1886 Fine-Very Fine.** This new note to the census brings the total of known examples to 10. The folds have been smoothed out but without damage to the surface or texture of the note. (650-up)

- 1765 **Fr. 294 \$10 1886 Very Fine.** Extremely well margined with excellent color and a bare minimum of circulation soil. As nice in appearance as the Extra Fine which sold in our November, 1990 Sale for \$675. (500-up)

- 1766 **Fr. 294 \$10 1886 Good-Very Good.** Solid edges. (200-up)

- 1776 **Fr. 303 \$10 1908 Choice About New.** A superb appearing note with a single, virtually invisible, bend. In spite of its technical grade, this note would fit very nicely into a set of Gems. Worth far in excess of the typical About New note. (750-up)

- 1784 Fr. 322 \$20 1891 Very Fine. A scarce type and when it does come around, the note that is usually seen is a Fr. 321. (450-up)

- 1785 Fr. 335 \$50 1891 Choice About New. A very good looking example of this scarce type. There is a small inconsequential margin tear that is quite difficult to locate. (1500-up)

- 1786 Fr. 335 \$50 1891 Very Fine. A nice collector grade example of this scarce and attractive type. (600-up)

- 1801 **Fr. 355 \$2 1890 Very Good.** Well worn but solid and not at all unattractive. (110-up)

- 1804 **Fr. 358 \$2 1891 About New.** Original and attractive. (275-up)

- 1805 **Fr. 358 \$2 1891 Very Fine.** The courtesy autograph of Ellis H. Roberts appears at the left written "Ellis H. Roberts Treasurer of the U.S. 1897-1905." A bright circulated example. (200-up)

- 1806 **Fr. 358 \$2 1891 Very Fine.** A nice circulated McPherson Deuce. (150-up)

- 1808 **Fr. 359 \$5 1890 Very Fine.** A nice collectable example of this ornate back Thomas note. (300-up)

- 1809 **Fr. 361 \$5 1890 Gem New.** An outstanding, original example with all the characteristics that one would expect for Gem grade. (1750-up)

- 1810 **Fr. 361 \$5 1890 Very Fine.** A high-end **Very Fine** with the appearance of an **Extra Fine** note. Clean and attractive, although somewhat flat. (325-up)

- 1811 **Fr. 362 \$5 1891 Choice New.** Fresh and original. (425-up)

- 1818 Fr. 369 \$10 1891. The note has the appearance of an About New but it has an expertly repaired long tear, a pinhole and the margins have been trimmed. Difficult to estimate. (175-up)

- 1820 Fr. 371 \$10 1891 Fine. Nearly Very Fine but with two staple holes and a small piece out of the top margin. (125-up)

- 1821 Fr. 372 \$20 1890 Extra Fine. A new note to the census which now totals 34 pieces. Although the grade is rather high, the appearance of this note is impaired by its having been trimmed quite close on all four sides. An affordable example of this rare and very popular type. (2000-up)

- 1822 Fr. 375 \$20 1891 Fine. A respectable circulated example of this difficult to obtain type. (1750-up)

### **Low Number Fr. 723s**

1835 **Fr. 723 Partial First Pack of 38 Notes.** Remnants of a long ago dispersed #1-100 pack. All are interesting two digits ranging from F31A-F79A. Many of the notes are in runs of 3, 4 and 5 consecutive. The vast majority grade **Choice New**, with a number being very nearly **Gem**, particularly towards the back of the pack. All are bright and presentable and what trivial counting marks are present are certainly difficult to detect. A superior group. (5500-up)

1841 **Fr. 735 \$1 1918 Minneapolis Extra Fine.** The key to the \$1 FRBN series. Not enumerated individually by Gengerke, but assigned a rarity rating of 6, indicating 13-30 known. In our opinion the number is actually closer to the low end of that rating. This attractive note looks uncirculated on the face with very light folds visible on the back. ## GUIDE TO IDENTIFYING SERIES 1914

### FEDERAL RESERVE NOTE VARIETIES

The 1914 Series Federal Notes were issued in two major types, Red Seals and Blue Seals, so named because of the ink color in which their treasury seals and serial numbers were printed. In addition, there are a number of distinct minor face layout varieties. The Red Seal notes, the earlier of the two major types, bear the Burke-McAdoo treasury signatures, and come with two minor face layout varieties. While the Blue Seal notes were printed with four different treasury signature combinations, our varietal concern is only for the last of these, bearing the White-Mellon treasury signatures. The Blue Seal notes with the White-Mellon signatures come with three separate face layout varieties.

These minor layout varieties are explained and illustrated below:

**Blue Seal variety A:** The Federal Reserve District numeral and letter appear four times at the corner of the note. At the lower left and upper right a large letter and numeral are used. At the upper left and lower right a smaller district letter and numeral are used.

**Blue Seal variety B:** The large numeral and letter at the lower left employed in variety A are now the same size as the smaller letter and numeral from that variety.

**Blue Seal variety C:** In this issue the black Federal Reserve District Seal at left and the Blue Treasury Seal at right move closer to the center of the note. In addition, the lower left district numeral and letter once again are in the large type of variety A. Also, they have now been moved higher and to the left.

**Red Seal variety A:** This is the same as Blue Seal variety A, except that there is no small district numeral and letter at the upper left or lower right.

**Red Seal Variety B:** This is identical to Blue Seal variety A.

While at first these minor varieties may appear somewhat confusing they become more comprehensible when one remembers that the Red Seal notes were printed prior to the Blue Seals. Thus, Red Serial variety B and Blue Seal variety A are quite logically identical with respect to the location and size of the district numerals and letters as these minor types represent a transition of the face layouts from Red Seals to Blue Seals.

## GOLD CERTIFICATES

- 1958 **Fr. 1169 \$10 1907 Gem New.** Superb! Even among a group of outstanding notes there are always a few that are head and shoulders above the rest. This is such a note. On a normally poorly margined issue, this note has extraordinary margins all the way around. On a note that is almost always dull, this note is extremely bright. On a note that is almost always lifeless, this one has deep original embossing. If one were to attempt a collection of type notes buying notes only this nice, you would have a very special but very small collection. (500-up)
- 1959 **\$100 Dollars in Gold.** Fr. 1169 \$10 1907 **Very Fine** with an eraser scuff; Fr. 1178 \$20 1882 **Good**, no problems; Fr. 1187 \$20 1922 **Fine** and Fr. 1200 \$50 1922 **Very Good** but with a paper clip rust stain. (4 pieces) (250-up)
- 1960 **Fr. 1170a \$10 1907 Extra Fine.** The scarce Napier-Thompson signature combination. No signs of circulation, simply a New note that has been folded. Beautiful color and margins. (150-up)
- 1961 **Fr. 1171 \$10 1907 Gem New.** A real beauty that has it all. Color, margins, ink and paper quality are all superb. (375-up)
- 1962 **Fr. 1172 \$10 1907 Gem New.** Huge margins, bright color and in every way essentially perfect. A most unusual grade for this series. (375-up)
- 1963 **Fr. 1173 \$10 1922 Star Choice About New.** This bright, clean note is the new highest known number for this star. (200-up)

- 1964 **Fr. 1173 \$10 1922 Gem New.** Huge margins on a note that is usually found tightly margined. Great color and deep original embossing. A premium note in every respect. (325-up)

1965 Fr. 1173 \$10 1922 Choice New. Slightly tight margins, otherwise a full Gem. (150-up)

1966 Fr. 1173 \$10 1922 Choice About New. (100-up)

1967 Three Gold Tens. Fr. 1169 1907 Extra Fine; Fr. 1171 1907 Very Fine and Fr. 1173 1922 Very Good. (3 pieces) (140-up)

1968 Four Gold Tens. Fr. 1167 Extra Fine; Fr. 1168 Extra Fine; Fr. 1169 Choice Extra Fine and Fr. 1171 Very Fine. All four notes are from the 1907 series and all but the 1171 are strictly original. (4 pieces) (300-up)

1972 Fr. 1184 \$20 1906 Gem New. This rare Napier-Thompson signature combination note bears the courtesy autograph of Carmi Thompson above his engraved signature and is also from the first sheet of notes printed bearing serial number E3. The condition is unimprovable, with broad even margins, terrific color and deep original embossing. There is not a hint of a defect on this great note. When last sold on October 17, 1990 by Stack's, this note brought \$3740. (3500-up)

1973 Fr. 1185 \$20 1906 About New. A Gem looking note with good color and far better than average centering. (175-up)

1974 Fr. 1187 \$20 1922 Choice New. Fresh and original. (275-up)

1975 Fr. 1187 \$20 1922 Choice New. The top margin is too tight for the note to be Gem. (275-up)

1976 Fr. 1187 \$20 1922 New. Choice but for a glue stain in the bottom margin. (175-up)

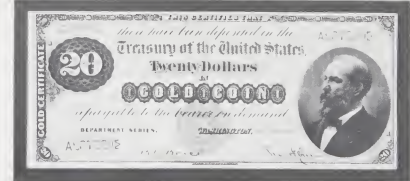

1977 Fr. 1187 \$20 1922 Choice Extra Fine. Strictly original and perfectly clean, a really Choice Extra Fine. (125-up)

1978 Fr. 1187 \$20 1922 Choice Extra Fine. Actually a note that has never circulated but has three folds. It appears to be a Gem from the face. (125-up)

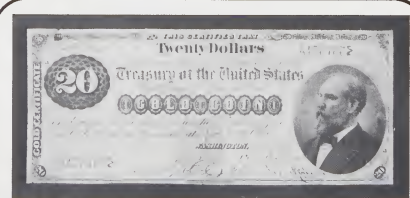

1979 Four Gold Twenties. Fr. 1183 1906 Very Fine; Fr. 1187 (3) 1922 Extra Fine with a tiny corner tip off, Very Fine and Good. (4 pieces) (200-up)

1980 Fr. 1197 \$50 1882 Choice About New. A superb example with extraordinary margins and centering on both sides, perfect original color and great paper quality. There is the most minute hint of a vertical fold which could easily be overlooked if the note were not subjected to extremely careful scrutiny. Worth far in excess of an ordinary About New note. (2500-up)

1969 Fr. 1174 \$20 1882 Very Fine. One of only six known pieces, one of which is in the Smithsonian and two whose whereabouts are unknown. These early Gold Certificates are rare and beautiful and this note fits very nicely into both categories. It is extremely well margined with the brown, gold and black inks bold and well defined. An opportunity for the collector of Gold Notes that may not present itself again for many years to come. (5000-up)

1970 Fr. 1175a \$20 1882 Good-Very Good. One of just 18 known of this Friedberg number with the engraved countersignature of Thomas Acton. All of the triple signature notes are extremely desirable and their appearances on the market are few and far between. There are some minor tape repairs of edge splits but the note is basically solid and with no more soil than you would expect for the grade. (2750-up)

1971 Fr. 1178 \$20 1882 Fine. Solid for the grade with exceptional margins. (150-up)

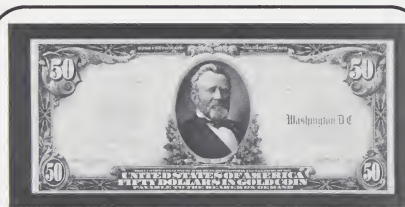

- 1981 Fr. 1197 \$50 1882 Choice About New. If the extremely slight center fold could be overlooked, this note would be graded a full Gem New. The paper quality and colors are absolutely superb and the note would enhance any set of high grade notes. It is, in fact, far superior in appearance to most technically Choice New notes. Rare and very beautiful. (2000-up)

- 1982 Fr. 1198 \$50 1913 Choice About New. A superb looking note with huge even margins and beautiful ink and paper color. A minute center bend is all that keeps this note from Gem New. These 1913 fifties are tough notes to find and this one is a real beauty. (1000-up)

- 1983 Fr. 1199 \$50 1913 Gem New. A superb, well margined, brightly colored, crackling fresh example of this rare type. The deep original embossing is exceptionally evident. (2500-up)

- 1984 Fr. 1200 \$50 1922 Choice New. A beautiful, original, crisp and colorful example of this rare type note. When viewed closely, there are what appear to be some light folds, but when viewed closer still it is obvious that these are "as made" pre print wrinkles in the paper. This is a strictly original, well centered prize. (1250-up)

- 1985 Fr. 1200 \$50 1922 Choice New. A lovely well margined note with extremely clean and sharp printing and bold ink colors. The gold back is particularly attractive being printed in true gold color ink rather than the often seemingly faded yellowish gold color. (1200-up)

- 1986 Fr. 1200 \$50 1922 Choice New. Attractive and scarce and seldom seen in this grade. This \$50 has nice originality and would be a Gem with a more generous top margin. (1000-up)
- 1987 Fr. 1206 \$100 1882 Very Good. One of just 25 known, eight of which are in the Federal Reserve Bank of San Francisco and likely off the market forever. (225-up)
- 1988 Fr. 1208 \$100 1882 Fine. One of only 15 known, five of which are permanently off the market. (350-up)

- 1989 Fr. 1211 \$100 1882 Choice About New. An eye-catching example of the rare Napier-Thompson signature combination. Of the 34 pieces known, 10 are permanently held in museum collections. When last sold in Stack's Oct. 1990 Sale, this note, which is at the very top of the condition census, brought \$3080. (3000-up)

## MISCELLANEOUS LARGE TYPE NOTES

- 1990 Fr. 1214 \$100 1882 Choice New. This "Department Series" hundred has huge margins and great eye appeal. The blue, red, gold and black inks used for the face of this note are all fully brilliant. (2000-up)
- 1991 Fr. 1214 \$100 1882 Very Good-Fine. (230-up)
- 1992 Fr. 1215 \$100 1922 Fine. A few small pinholes, otherwise no problems. (130-up)

- 1995 1920's Christmas Card. A "money card" from the large size era with Season's Greetings and a multicolor Christmastime scene. This is the first card we have ever seen designed specifically to hold large size notes. It was issued by the Berkshire Loan and Trust Company in Pittsfield, Massachusetts perhaps for the purpose of distributing Christmas bonuses. Included in the card is a Choice About New \$1 1923 Fr. 237. An exceptionally nice association item. (150-up)

- 1993 Fr. 1216 \$500 1882 Extra Fine. This beautiful example of an early \$500 Gold Certificate last crossed the auction block in Stack's October, 1990 Sale. Very well margined with no defects of any kind and no disturbing circulation soil. When viewed from the face it appears uncirculated at first glance. Of the 21 notes listed by Gengerke, this is the highest known serial and is tied for finest known. Equal or superior in appearance to the more common Fr. 1217 in the same grade, which sold for \$5,500 as lot 1617 in our January, 1992 Sale. Likely to exceed... (5000-up)

- 1994 Fr. 1217 \$500 1922 Choice Very Fine. The most outstanding feature of this scarce \$500 Gold is its beautiful bright colors. It does not have the usual gray palor to the portrait, rather, the image of Lincoln is printed with near photographic clarity. The gold highlights, red seal and blue serial numbers combine for a most appealing effect. This example is comfortably in the top half of the condition census of the 33 known. With high denomination Gold Certificates currently very much in demand, this piece should bring... (4000-up)

High grade example which would make an excellent choice for any state set. **Very Fine-Extremely Fine.** (175-350)

- 2035 **Yuma - \$5.00 1902 Fr. 602 The Yuma NB Ch. # 9608**  
A very scarce bank, with the last appearance of any note from here coming some five years ago. In fact, this bank, with a total of eight notes previously reported, has fewer sales records (3) than does the low charter Yuma bank (5) with only five notes reported. Unmolested **Very Good-Fine**, with a small area of bank stamp near the charter number, the signatures (in blue ink) are faint but present. (600-1000)

### ARKANSAS

- 2036 **Hope - \$10.00 Ty. 1 The Citizens NB Ch. # 10579**

Only denomination issued by this very scarce bank. **Very Good**, with most of the wear on the reverse. (300-600)

- 2040 Cloverdale - \$5.00 Ty. 1 The First NB Ch. # 11282

A super serial number 1 example from a small Sonoma County town, and the highest grade example known in small size as well. **Very Fine+.** (600-1000)

- 2041 Corcoran - \$10.00 Ty. 1 The First NB Ch. # 9546

- 2045 Los Angeles - \$20.00 1882 Date Back Fr. 555 The First NB Ch. # (P)2491

Not a common Los Angeles type and denomination. **Fine.** (150-300)

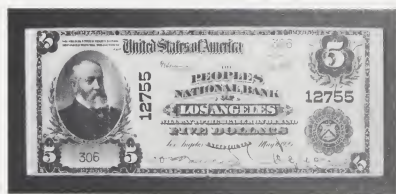

- 2046 Los Angeles - \$10.00 1882 Fr. 487 The Merchants NB Ch. # (P)3538

An excessively rare type from this bank. Only two other Brown Backs are known, one a circulated serial number 1 example, the other grading only Very Good. Neither has appeared on the market for years. The newly discovered example we offer is an evenly circulated Very Good+, with no impairments whatever other than a few minor pinholes. Look for some competition on this lot, with bids in the range of... (400-700)

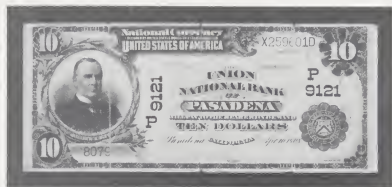

- 2047 Los Angeles - \$5.00 1882 Fr. 471 The NB of California Ch. # (P)4096

A spectacular Brown Back in absolutely gorgeous condition. This superb note looks and feels as though it came off the press this morning. **Choice Crisp Uncirculated**, a flaming Gem but for a slightly tight lower left margin. (1000-1500)

A very scarce note, with only five examples from here reported to date, one of which (the Krakover specimen) grades Good, and another of which is laminated. The example offered here is the only known \$10.00 and one of two reported plain backs. **Fine**, with some slight tears at the folds. (300-600)

2054 San Francisco - \$5.00 1870 Fr. 1136 The First National Gold Bank Ch. # 1741

An attractive Gold Bank Note and the second lowest serial number from this institution enumerated by Gengerke. The gold coins on the back are particularly nice looking with only a few minor ink breaks at the several vertical folds crossing the coin design. Superior to lot #453 in our November, 1990 sale, which sold for \$1,250. This **Fine-Very Fine** should sell for... (1750-up)

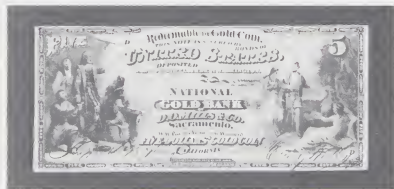

2050 Pasadena - \$20.00 Ty. 1 The Security NB Ch. # 10167

Not rare, but an always popular location. **Fine-Very Fine**. (60-100)

2055 San Francisco - \$5.00 National Gold Bank Note Fr. 1136 The First National Gold Bank Ch. # 1741

Evenly circulated **Very Good**, with few of the defects that plague these highly sought after notes. This example, a new discovery which is unreported in the census, should fetch somewhere around Green Sheet bid of... (700-900)

Decent **Good-Very Good** example with few of the defects which plague this issue. (500-900)

2057 San Francisco - \$10.00 National Gold Bank Note Fr. 1142 The First National Gold Bank Ch. # 1741

A lovely example with no flaws whatever. **Very Fine**, at the upper end of the condition census of the 22 notes reported from here. (3000-5000)

2052 Sacramento - \$10.00 Ty. 1 The California NB Ch. # 8504

Beautiful state capital note with the right title. **Choice Crisp Uncirculated**, ex Lyn Knight sale of July 1986. (75-150)

2058 San Francisco - \$5.00 1902 Fr. 601 The First NB Ch. #1741

Nice **Crisp Uncirculated** with minimal handling, a bit close at the UL margin. (100-175)

2053 San Bernardino - \$10.00 Ty. 1 The San Bernardino NB Ch. # 3818

Handsome **Extremely Fine** example. (75-150)

2059 San Francisco - \$10.00 1902 Fr. 627 Crocker First NB Ch. #1741

2076 San Francisco Trio

San Francisco - \$10.00 Ty. 2 The Anglo California NB Ch. # 9174

Ch. # 9655  
\$10.00 Ty. 1 The Bank of California N.A.

Ch. # 13044  
\$5.00 Ty. 1 Bank of America NT & SA

Three notes each Choice Crisp Uncirculated, the first cut just a bit close at the bottom. (150-250)

2077 San Jose - \$5.00 National Bold Bank Note Fr. 1141 The Farmers National Gold Bank Ch. # 2158

Easily one of the nicer examples from this tougher National Gold Bank. About Fine, bright for the grade, a perfect note for any collection. (1500-2500)

2078 San Mateo - \$10.00 Ty. 2 The NB of San Mateo Ch. # 9424

From a popular suburban area south of San Francisco. Fine, with a couple of tiny margin nicks. (100-200)

2079 Santa Ana - \$5.00 Ty. 1 The Commercial NB Ch. # 13200

A scarce note, with its last appearance at public sale coming in 1973. This was the only Santa Ana bank of the five chartered there which was missing from the landmark Krakover collection. Very Good. (100-200)

2080 Santa Barbara - \$5.00 Ty. 1 First NT & SB Ch. # 2104

Attractive and popular note. Very Fine. (50-75)

2081 Whittier - \$20.00 Ty. 1 The Whittier NT & SB Ch. #7999

New to the census. About Fine. (75-125)

## COLORADO

2082 Buena Vista - \$10.00 Ty. 1 The First NB Ch. # 8735

This is truly a great Colorado note with everything going for it. This was the only bank to issue from here, and it had one of the smallest total number of pieces issued in small size in the entire state. Our research discloses no offering of any other small size Buena Vista note in over forty years, with only one large note from here offered during the same time period. Fine, certain to become a highlight of the collection it enters. (900-1600)

2083 Colorado Springs - \$20.00 Ty. 2 The First NB Ch. # 2179

Bright well centered Crisp Uncirculated, ex Hickman-Oakes 33rd auction. (100-200)

2084 Colorado Springs - \$5.00 Ty. 2 The Exchange NB Ch. # 3913

As nice a note as we've ever seen from Colorado Springs. Choice Crisp Uncirculated, ex Lyn F. Knight July 1986 sale. (100-200)

2085 Colorado Springs - \$10.00 Ty. 2 The Colorado Springs NB Ch. # 8572

One of the scarcer Colorado Springs banks, with this example the first we have had to offer in small size from here. About Fine. (125-250)

2086 Denver - \$10.00 Ty. 1 The United States NB Ch. # 7408

Nice "Forbidden title" example which is not at all common in this grade. Crisp Uncirculated, ex Hickman-Oakes November 1985 sale. (100-150)

2087 Denver - \$10.00 1902 Date Back Fr. 618 The Central NB Ch. (W)8774

An incredible note which surfaced earlier this year as the only National Bank Note in an otherwise nondescript Ohio estate. In business for only five years before liquidating in 1912, and with only one other note known from the bank (a low grade \$20.00 sold over a decade ago), this beautiful About Uncirculated example may represent the only opportunity to obtain a note from this bank for the foreseeable future. We would not be at all surprised to see spirited competition in the range of... (1000-2000)

2088 Greeley - \$5.00 Ty. 1 The Greeley Union NB Ch. # 4437

Lovely well centered Choice Crisp Uncirculated. (75-150)

## DELAWARE

2089 Lafayette - \$10.00 Ty. 1 The First NB Ch. # 8909

We've seen a couple of large notes from here offered during the past few years (at four figure prices, we might add), but this is the first Series 1929 note we've seen for sale in quite some years. About Fine, scarce enough to attract bids in the range of... (500-1000)

2094 Dover - \$5.00 Ty. 1 The First NB Ch. # 1567

Not the usual hoard note from here, as this is a type one rather than the far more numerous type twos. Well centered and bright, this Crisp Uncirculated example would fit perfectly in any state or state capital collection. (200-400)

2090 Las Animas - \$10.00 Ty. 1 The First NB Ch. # 6030

Tougher note from the only national bank chartered in Bent County. Well circulated Very Good. (150-300)

2091 Leadville - \$10.00 Fr. 1902 Fr. 626 The American NB Ch. # 3949

A scarce note with only six sales appearances in four decades, the last coming in 1986. Very Good, with strong signatures. (250-500)

2092 Rocky Mountain High (Denominations)

Pueblo - \$100.00 Ty. 1 The First NB Ch. # 1833 EF, light foxing around the edges

Trinidad - \$50.00 Ty. 1 The First NB Ch. # 2300 F

Two pieces. (300-450)

2096 Smyrna - \$50.00 1902 Fr. 682 The NB of Smyrna Ch. # (E)2381

A great Delaware rarity. Only two banks in the entire state issued \$50.00 TCP plain backs, with this example the only one extant to our best knowledge. We do know of one surviving \$100.00 plain back from Smyrna, but even the landmark Jacquette collection, easily the largest and finest Delaware holding ever put together, lacked any example of the plain back fifty from this state. Evenly circulated Very Good, with pen signatures, worthy of a strong bid in the area of... (750-1500)

2097 Smyrna - \$20.00 Ty. 1 The Fruit Growers NB & TC Ch. # 2336

A very popular title which is always sought after. Fine. (150-250)

## CONNECTICUT

2093 New London - \$10.00 Ty. 2 The National Whaling Bank Ch. # 978

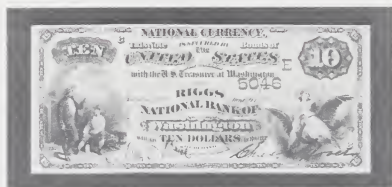

Easily the nicest example we've seen from this wonderfully titled bank. About Uncirculated+++, fully choice but for one minor pinch fold. (100-150)

## DISTRICT OF COLUMBIA

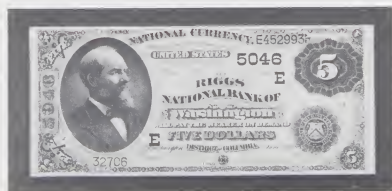

- 2098 Washington - \$10.00 1882 Fr. 485 The Second NB Ch. # (E)2038

Bright and unmolested **Very Fine-Extremely Fine**, a lovely Brown Back fit for the finest collection. (350-700)

- 2099 Washington - \$10.00 1882 Fr. 487 The Riggs NB Ch. # (E)5046

Another most attractive District Brown Back, this a well centered **Extremely Fine** example with bold signatures. (300-500)

- 2100 Washington - \$5.00 1882 Date Back Fr. 534 The Riggs NB Ch. # (E)5046

Easily the highest grade 1882 Date Back we know of from this bank. **Crisp Uncirculated**, very well centered for this notoriously ill-cut series, and with good signatures as well. (450-900)

- 2101 Washington - \$10.00 1902 Fr. 632 The Riggs NB Ch. # (E)5046

An unusually high grade large size note from here. **Crisp Uncirculated**, with strong signatures, taken out of the Choice category by a couple of rounded corners and a close lower left margin. (150-250)

- 2102 Washington - \$20.00 1902 Fr. 658 The Riggs NB Ch. # (E)5046

Tougher denomination from this bank in large size. **Extremely Fine**. (100-200)

Virtually as nice as the preceding lot. **Choice Crisp Uncirculated**. (50-100)

- 2107 Atlanta - \$20.00 1882 Date Back Fr. 555 The Lowry NB Ch. # (S)5318

Evenly circulated **About Fine** example of this tougher type and denomination. (100-150)

Above average specimen from this small north Georgia town. **Fine+**. (75-125)

- 2109 Cordele - \$20.00 1882 Date Back Fr. 555 The Cordele NB Ch. # (S)5975

- 2112 **Quitman** - \$5.00 1902 Date Back Fr. 591 The First NB Ch. # (S)7994

Scarce large size Georgia example. **Very Good**. (125-250)

## HAWAII

- 2113 **Honolulu** - \$10.00 Ty. 1 Bishop First NB Ch. # 5550

Evenly circulated **Fine** example, which should be worth... (75-125)

- 2114 **Honolulu** - \$50.00 Ty. 1 Bishop First NB Ch. # 5550

Well centered **Crisp Uncirculated**, a lovely and scarce note worthy of the finest collection. Ex Hickman-Oakes November 1986 sale. (400-800)

## IDAHO

- 2115 **Boise** - \$50.00 Ty. 1 The First NB of Idaho Ch. # 1668

Very bright and well centered **Crisp Uncirculated**. This is the only CU fifty we know of from Idaho and, with only three banks having issued, is likely to remain so for the foreseeable future. Ex Hickman-Oakes auction of November, 1986. (500-1000)

- 2116 **Cottonwood** - \$20.00 Ty. 1 The First NB Ch. # 7923

First note we've ever had to offer from this exceedingly scarce location. **Very Good**. (300-500)

- 2117 **Grangeville** - \$20.00 1902 Fr. 650 The First NB Ch. # 6927

An extremely scarce bank in large size. Pen signed **Fine-Very Fine**, a note likely to see some spirited bidding. (350-700)

- 2118 **Grangeville** - \$10.00 Ty. 1 The First NB Ch. # 6927

Not quite so scarce in small size, but still not an Idaho note often encountered. **Fine-Very Fine**. (200-300)

- 2119 **Idaho Falls** - \$10.00 Ty. 1 American NB Ch. # 6982

Decent **About Fine** example from this well collected state. (100-200)

- 2120 **Lewiston** - \$20.00 Ty. 1 The Lewiston NB Ch. # 3023

Evenly circulated **Very Good-Fine** example. (100-200)

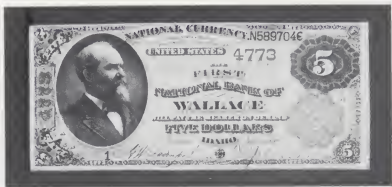

- 2121 **Lewiston** - \$20.00 Ty. 1 The Lewiston NB Ch. # 3023

**Very Good**, with just a bit more circulation than the preceding note. (80-150)

- 2122 **Salmon** - \$10.00 1902 Fr. 626 The Citizens NB Ch. # (P)9432

A scarce note with a great name. The last appearance we note came back in 1983, so a liberal bid is suggested to land this example. **Fine**, with faded signatures. (250-500)

## #1 Idaho Brown Back

2123 Wallace - \$5.00 1882 Fr. 472 The First NB Ch. # 4773

An absolutely incredible marvel of survival. After Nevada (with of course only one example known), Idaho Brown Backs of any kind are offered less frequently than are those of any other state. In fact, the Medlar Brown Back collection, the finest ever formed, had the only known Nevada example, but lacked an Idaho note of any kind. In over twenty years of searching Bob was never able to locate an Idaho Brown Back to complete his set. We ourselves, in over two decades of dealing in Nationals, have never before had the opportunity to offer an Idaho Brown Back of any kind. Now we are fortunate enough to offer not only an Idaho Brown Back but a serial number 1 Idaho Brown Back. This note surfaced only months ago in a Colorado estate, and is accompanied by two envelopes dated 1905 and 1906 addressed to the wife of the bank president in Wallace by the family which owned the note. The note itself is crisp and obviously never circulated. It has three sharp folds and an area of light aging on the lower quarter of the note. **Extremely Fine**, hard to estimate but with the combination of rarity, condition, and serial number we would not be surprised to see a winning bid in excess of... (7500-12500)

2124 Pair of Idaho High Denominations

Boise - \$100.00 Ty. 1 The First NB of Idaho Ch. # 1668

Lewiston - \$50.00 Ty. 1 The First NB Ch. # 2972

Two tough notes, the latter particularly elusive. The Boise grades **Extremely Fine**, but with a bit of staining and a small nick in the LL margin, the Lewiston a nice **Fine** with a tiny piece out of the top margin. (350-550)

## ILLINOIS

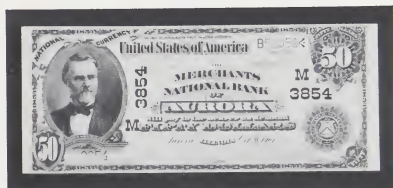

2125 Altona - \$10.00 Ty. 1 The Altona NB Ch. # 13625

Considerably nicer than the example from here we sold for \$346.50 in our first sale. **About Uncirculated+**, with three tiny pinholes which do not detract at all. (200-400)

2126 Augusta - \$10.00 1902 Red Seal Fr. 613 The First NB Ch. # (M)6751

Sole Red Seal example we know of from this scarce bank. Pen signed **About Fine**, with a couple of tears and peppered with tiny pinholes which can only be seen when the note is held up to the light. (200-400)

2127 Aurora - \$50.00 1902 Date Back Fr. 669 The Merchants NB Ch. # (M)3854

Beautiful Choice Crisp Uncirculated example. (1000-2000)

2128 Aurora - \$10.00 Ty. 1 The Old Second NB Ch. # 4596  
Crisp Uncirculated. (50-100)

2129 Carterville - \$20.00 Ty. 1 The First NB Ch. # 7889

Scarcer note from Williamson County in far southern Illinois. **Fine**, slight aging. (50-100)

2130 Casey - \$10.00 1902 Fr. 625 The Casey NB Ch. # 8043

A very scarce large size note. Nice **Fine**. (150-300)

- 2335 Hattiesburg - \$20.00 1882 Fr. 504 The First NB Ch. # (S)5177

An excessively rare note from a bank which issued Brown Backs only for a short nine year period. Nice Fine+, a great note which should see bids in the range of... (1750-3000)

The example we offer here, which has been off the market for quite some time, grades a pleasing Fine+ and represents probably the highest grade Red Seal to be offered from Mississippi in the past five years. Bids will likely reach the range of... (1000-2000)

## TERRITORY OF NEW MEXICO

- 2400 Las Vegas - \$10.00 1882 Fr. 490 The San Miguel NB Ch. # (W)2454

A new addition to the territorial census from here. This is the fourth Brown Back to be reported, and even though lower grade is equal to the finest known of the two other tens. Evenly circulated Very Good, sure to be a source of pride for its new owner. (1250-1750)

### ***Territorial Lazy Two Serial #1***

- 2401 Santa Fe - \$2.00 Original Fr. 389 The First NB Ch. # 1750

An incredible note which has everything going for it. It represents the only serial number 1 First Charter example known from New Mexico Territory, and it is one of only four deuces reported to date from here. It has been some two decades since collectors have been afforded the opportunity to add such a note to their collections, and, considering the whereabouts of the other examples, it may be at least that long again before the next such example comes on the market. Fine, bright for the grade with but a minor pinhole or two mentioned for the sake of accuracy, truly a wonder note worth whatever number is reached when the hammer falls. (5000-10000)

## NEW MEXICO

- 2402 Albuquerque - \$10.00 1902 Fr. 634 The First NB Ch. # 2614

Fine+. (75-100)

- 2406 Santa Fe - \$20.00 Ty. 1 The First NB Ch. # 1750

Tougher denomination from this elusive state capital. About Fine. (175-325)

## NEW YORK

- 2407 Bellport - \$5.00 Ty. 2 The Bellport NB Ch. # 12473

- 2416 Holcomb - \$20.00 1902 Fr. 653 The Hamlin NB Ch. # 10046

A very rare large size note. We know of no other large examples from this bank having been on the market since the Grinnell specimen was sold in 1945. **Very Good-Fine**, one tiny tear at the bottom. (500-800)

- 2413 Gasport - \$20.00 Ty. 1 The First NB Ch. # 10623

A great New York small size rarity. Other than the large note we sold from here in 1991 (which brought \$605), this example is the only Gasport note to be offered in over forty years. **Fine-Very Fine**, a new town for the lucky collector who lands this note. (300-600)

- 2414 Glen Head - \$10.00 Ty. 1 The First NB Ch. # 13126

- 2425 Mariner Harbor - \$10.00 Ty. 1 The Mariner Harbor NB Ch. # 8194

A very rare Staten Island bank with only three notes known, all small size. With the other two being in very strong hands, this may well be the only opportunity to obtain an example from here within the foreseeable future. **Fine**. (300-500)

- 2426 Marlboro - \$20.00 Ty. 1 The First NB Ch. # 8834

Easily the highest grade note we've ever seen from this small Ulster County bank, and by a considerable margin as well. **Crisp Uncirculated**. (150-300)

- 2427 Mattituck - \$5.00 Ty. 1 The Mattituck NB & TC Ch. # 13445

A very scarce note from this north shore resort community in popular Suffolk County. **Fine**, sure to see spirited competition. (350-700)

- 2428 Merrick - \$20.00 Ty. 1 The First NB Ch. # 12503

A very rare Long Island bank with only two previous public offerings, the last some seven years ago in the Sande collection sale. **Very Good+**. (250-500)

- 2429 Middleport - \$10.00 Ty. 1 The First NB Ch. # 9206

A genuinely rare small note which is one of only two such examples from here we know of. **Nice Fine**. (250-400)

- 2430 Middletown - \$10.00 Ty. 1 The Merchants NB Ch. # 3333

A very rare bank in small size. On the unknown list for many years, this specimen was the example which turned up and put this bank into the reported column. **Very Good**. (150-300)

- 2431 Middletown - \$10.00 Ty. 2 The NB of Middletown Ch. # 13956

Tougher Middletown bank. **Crisp Very Fine-Extremely Fine**, with a small inked number on the face. (75-150)

- 2424 Lynbrook - \$5.00 Ty. 1 The Lynbrook NB & TC Ch. # 8923 Uncut Sheet

An exciting sheet from Long Island, in fact, one of the extremely few serial number 1 sheets which do not repose in the major Long Island collection on the east end of Suffolk County. About **Uncirculated** overall, with the four notes in the center being **Uncirculated**, the top and bottom examples having a few corner folds. This is a great opportunity for the many Long Island collectors to add a great display piece to their collection. (3000-4000)

- 2432 Mineola - \$5.00 1902 Date Back Fr. 592 The First NB Ch. # (E)9187

A very scarce Long Island note from the county seat of Nassau County. It has been seven years since any example has been offered from here, with the sale of the Sande collection in 1985. Pen signed Very Good-Fine. (400-800)

- 2433 Moravia - \$10.00-\$10.00-\$10.00-\$20.00 1902 Red Seal Fr. 613, 639 The First NB Ch. # (E)99 Uncut Sheet

A superb sheet with each note Choice to Gem New. The sheet has one fold between the two center notes but is otherwise magnificent, with full top and bottom selvage, bright paper and ink, and bold signatures. Red Seal sheets above \$5.00 are very rare, with even Grinnell not having a single example in his landmark holdings. (3000-5000)

- 2434 Mt. Morris - \$10.00 Ty. 1 Genesee River NB Ch. # 1416

A far scarcer note in small size than large. This is the first example we've handled with this title, the third used by the bank. Fine-Very Fine. (100-200)

- 2435 Narrowsburg - \$10.00 Ty. 2 The First NB Ch. # 12496

A very scarce Sullivan County bank which issued Series 1929 notes only. We note only three appearances of any example from this bank at public sale in forty years, the last in 1988. Fine+. (150-300)

- 2436 Newburgh - \$20.00 Ty. 1 The Highland Quassak NB Ch. # 1106

Bright Crisp Uncirculated, a bit too much handling for the Choice designation. (60-100)

- 2437 New York City - \$5.00 Ty. 1 The First NB Ch. # 29

Choice Crisp Uncirculated. (40-75)

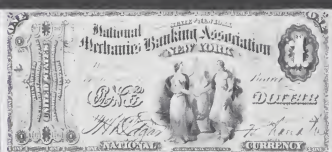

- 2438 New York City - \$10.00 1882 Fr. 480 The NB of Commerce Ch. # 733

A lovely well margined Choice Crisp Uncirculated example, with one tiny as printed spot in the lower right which hardly detracts. The note is further enhanced by the printed signature of J. Pierpont Morgan as V. President. (400-600)

- 2439 New York City - \$1.00 Original Fr. 380 The Saint Nicholas NB Ch. # 972

An always popular title on this note, along with a great set of vanity signatures. Fine. (150-250)

- 2440 New York City - \$1.00 1875 Fr. 384 The National Mechanical Banking Association Ch. # 1075

A lovely type example just as fresh and bright as the day it was printed. Extremely Fine+. (250-400)

- 2441 New York City - \$1.00 Original Fr. 380 The National Mechanics Banking Association Ch. # 1075

Very Fine or better from the standpoint of circulation, but stained slightly over virtually the entire note, and with a very hard to see rubber stamped name on the face. Rather better looking than it sounds, and worthy of a bid in the range of... (125-175)

- 2442 New York City - \$5.00, \$10.00 Ty. 1 The National City Bank Ch. # 1461

Crisp Uncirculated pair. (75-125)

- 2443 New York City - \$10.00 Ty. 1 The Chase NB Ch. # 2370

Two pieces, each Gem Uncirculated. (75-100)

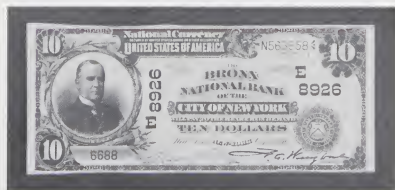

- 2444 New York City - \$20.00 Ty. 2 Staten Island NB & TC Ch. # 6198

Decent Fine example from the scarcest of New York City's five boroughs. (100-200)

- 2445 New York City - \$20.00 1902 Red Seal Fr. 639 The Northern NB Ch. # (E)6253

An incredible new discovery which surfaced early this year. This bank issued Red Seals only for a period of less than five years before liquidating early in 1907. No other notes are known to exist on the bank, and its miniscule issue guarantees that it will be forever rare. This is truly a note we never expected to handle, as we searched unsuccessfully for an example from this bank for over fifteen years while collecting New York City notes ourselves. Fine, a wonder note well worth a very strong bid. (600-1200)

- 2446 New York City - \$10.00 1902 Fr. 626 The Bronx NB Ch. # (E)8926

Only uncirculated note we've recorded from this bank and it's a beauty. Choice Crisp Uncirculated, taken from the gem class by a slightly uneven top margin. (250-400)

- 2447 New York City - \$10.00 1902 Fr. 635 The Fordham NB Ch. # 12825

A seldom offered note from one of only four national banks chartered in The Bronx. Fine. (100-200)

- 2448 New York City - \$10.00 Ty. 2 Lafayette NB of Brooklyn Ch. # 12892

A lovely Brooklyn note in peak condition. This bank prospered for years as the virtually official financial institution of the Brooklyn Democratic party organization. Choice Crisp Uncirculated, ex Sande collection sold by Hickman-Oakes in November 1985. (125-250)

- 2449 New York City - \$10.00 Ty. 2 Lafayette NB of Brooklyn Ch. # 12892

Still attractive, albeit not as nice as the note above. Extremely Fine. (50-100)

- 2450 New York City - \$5.00 1902 Fr. 609 The Melrose NB Ch. # 12900

Tough Bronx issue with only \$610 large outstanding in 1935. Extremely Fine, with a small area of irregular cut at the lower right margin. (125-200)

### Extremely Rare Fr. 707-a

- 2451 New York City - \$100.00 1902 Fr. 707-a The Bank of America National Association Ch. # 13193

This signature combination is unpriced and listed as "Rare" in the Friedberg catalogue. It is certainly that, as we know of no other examples of this Friedberg number which have turned up in the roughly ten years since the discovery of this note. Whether unique or not, it is of the utmost significance to every collector who aspires to obtain a complete set of U.S. issues by Friedberg number. Nice Fine-Very Fine, hard to estimate, but any price under the \$2500 range would certainly represent a bargain. (2000-4000)

- 2452 New York City - \$5.00 Ty. 2 The Bayside NB Ch. # 13334

Only type two five we've seen from this Queens County bank. About Uncirculated, actually a new note but with a bit too much handling to be graded as such. Ex Sande collection, 1985. (100-200)

2453 **High grade New York City Notes**

**New York City - \$5.00 1902 Fr. 598 The First NB Ch. # (E)29 Extremely Fine-About Uncirculated**

\$10.00 1902 Fr. 624 The National Park Bank Ch. # (E)891 Abt. Unc., tight bottom

\$5.00 1902 Date Back Fr. 593 The Mechanics & Metals NB Ch. # (E)1250 VG

\$5.00 1902 Date Back Fr. 591 The National City Bank Ch. # (E)1461 EF-AU

\$5.00 1902 Date Back Fr. 590 The Chemical NB Ch. # (E)1499 EF

Total five pieces. (200-400)

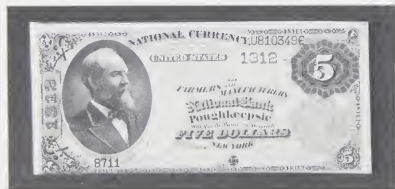

2454 **Plattsburgh - \$10.00 1902 Red Seal Fr. 613 The Merchants NB Ch. # (E)3174**

Nice bright Red Seal, the first we've seen on this bank. Fine+, with good pen signatures. (150-300)

2455 **Poughkeepsie - \$1.00 Original Fr. 380 The Fallkill NB Ch. # 659**

Bright and original, fully gem but for centering. Choice Crisp Uncirculated, a lovely type example which will probably bring virtually the same price as a far more common example from one of the hoard banks. (500-800)

2456 **Poughkeepsie - \$5.00 1882 Fr. 468 The Farmers & Manufacturers NB Ch. # 1312**

A lovely Crisp Uncirculated example, choice but for a lack of centering. (350-550)

2457 **Red Creek - \$20.00 Ty. 1 The Red Creek NB Ch. # 10781**

Tougher note from a small family owned bank. Very Good. (100-200)

2458 **Richfield Springs - \$10.00 1902 Fr. 634 The First NB Ch. # (E)2651**

A most attractive example from this scarce Otsego County bank. Nice Fine-Very Fine, with vivid purple signatures. (175-350)

2459 **Riverhead - \$10.00 Ty. 1 The Suffolk County NB Ch. # 4230**

A very scarce and elusive note from the county seat of avidly collected Suffolk County. We note only one offering from here since the specimen in the Sande collection sold at auction in 1985. Very Good-Fine. (300-600)

2460 **Rome - \$1.00 Original Fr. 380 The Fort Stanwix NB Ch. # 1410**

Attractive Very Fine-Extremely Fine example, with a couple of tiny rust spots. (175-325)

2461 **Rome - \$1.00 Original Fr. 380 The Fort Stanwix NB Ch. # 1410**

Nice Very Fine example with only a very light rust stain to detract. (150-250)

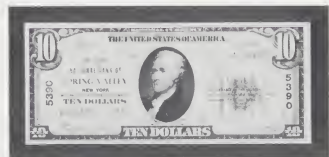

2462 **Roslyn - \$10.00 Ty. 2 The Roslyn NB & TC Ch. # 13326**

A very scarce Nassau County note from an affluent north shore community. The last Roslyn note sold brought \$525 some three years ago, and we expect similar competition to secure this example. Fine+. (350-600)

- 2463 Schenevus - \$10.00 Ty. 1 The Schenevus NB Ch. # 4962  
Considerably scarcer in small size than large. **Fine.** (100-200)

Tougher small note. Nice **Fine.** (75-150)

Monticello - \$10.00 Ty. 2 The National Union Bank Ch. # 1503 EF, light stains  
Newburgh - \$10.00 Ty. 1 (2) The NB of Newburgh Ch. # 468 VG-F, F.

## NORTH CAROLINA

- 2470 Charlotte - \$10.00 Ty. 1 The First NB Ch. # 1547  
By far the highest grade small size note we've seen or heard of from this elusive bank. **Choice Crisp Uncirculated.** (150-300)

- 2471 Gastonia - \$5.00 1902 Fr. 598 The Citizens NB Ch. # 7536

Most attractive low charter example. **Choice Crisp Uncirculated**, with bold green pen signatures, kept from Gem only because of a tight bottom margin. (175-325)

- 2478 **Bucyrus** - \$5.00 1882 Fr. 467 **The Second NB Ch. # (M)3274**

## Finest Known 1st Charter \$50

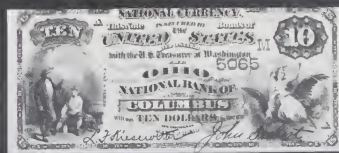

### 2485 Cleveland - \$50.00 1875 Fr. 444 The First NB Ch. # 7

An incredible new discovery from the same source as many of the other hitherto unknown items in this sale. This is a most significant piece in many ways. As a National, it is one of only three known First Charter fifties from any of the first 100 charter banks, with this example being the only one known from a single digit charter. More important for those who collect by type, this is no doubt the finest known First Charter fifty from any bank. Grading a Choice About Uncirculated++, with only a virtually imperceptible center bend keeping it from the Choice Uncirculated ranking, this is a beautiful note which will undoubtedly become one of the highlights of the collection it enters. We only wish that every note we offered possessed the combination of rarity, condition, and desirability that are combined in this superlative example. (10000-15000)

### 2486 Columbus - \$20.00 1882 Fr. 499 The Deshler NB Ch. # 4579

Second charter notes only from this scarce bank, which was liquidated in 1910. We note only three appearances by this bank, the last in 1986. **About Fine.** (100-200)

### 2487 Columbus - \$10.00 1882 Fr. 487 The Ohio NB Ch. # M5065

### 2488 Columbus - \$20.00 Ty. 1 The Ohio NB Ch. # 5065

Well centered Choice Crisp Uncirculated, ex Hickman-Oakes 33rd sale. (60-90)

### 2490 Defiance - \$5.00 1875 Fr. 402 The Defiance NB Ch. # 1906

An absolutely beautiful note from a bank which issued FCP notes only. **Very Fine-Extremely Fine**, but bright and colorful as the day it came off the press, a real winner. (300-500)

### 2491 Dennison - \$20.00 1902 Fr. 650 The Dennison NB Ch. # 6843

Pleasing **Extremely Fine** example with blue stamp signatures. (75-125)

First charters only from this rare bank, which has had but two public offerings in forty years, the last in 1971. If this were any state but Ohio, this might well be a four figure note. **Very Good.** (250-500)

### 2493 Findlay - \$5.00 1882 Fr. 469 The Farmers NB Ch. # 3477

A very rare note with this title, used on Brown Backs only by the bank. Pen signed **About Fine**, with an attractive ornate layout found only on early Brown Back fives. (250-450)

A very scarce bank which issued FCP notes only before liquidating in 1881. With \$564 outstanding in 1910, don't look for too many examples from here to be offered any time soon. **Very Good.** (300-500)

2496 **Jackson Center** - \$10.00 1902 Red Seal Fr. 615 **The First NB Ch. # (M)8536**

2502 **Toledo** - \$10.00 1902 Date Back Fr. 616 **The First NB Ch. # (M)91**

Dirt common in small size, but large notes from this low charter bank, particularly with some grade to them, are surprisingly difficult to come by. **Bright Very Fine+**. (100-150)

2503 **Toledo** - \$10.00 Ty. 1 **The First NB Ch. # 91**

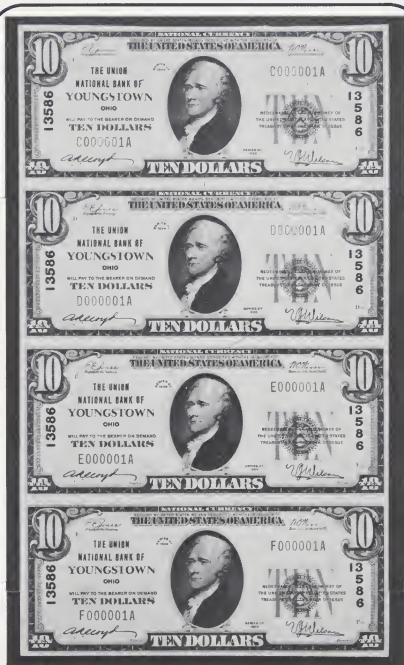

**Crisp Uncirculated**, ex Hickman-Oakes June 1986 sale. (40-60)

2505 **Wilmington** - \$10.00 1902 Fr. 625 **The Citizens NB Ch. #8251**

## 2506A An Ohio A to Z 1929 National Set

One of the attractions of National Bank Notes to the collecting public is the myriad number of themes around which a collection can be organized. Numismatists from only two states, Illinois and Ohio, can hope to form an A to Z city set. We are pleased to present such an Ohio grouping. Considerable effort went into the nearly decade long search which culminated in the completion of the set offered here. Any serious National collector will realize the difficulty of successfully completing such a group.

First large note from this tougher Abilene bank which we've had to offer. **Very Good**. (150-250)
- 2609 **Albany** - \$20.00 Ty. 1 **The First NB Ch. # 3248**  
A scarcer note from the only town to issue in Shackelford County. We note only one appearance of any note from this bank, that back in 1988. **Fine-Very Fine**. (150-250)
- 2610 **Amarillo** - \$20.00 1902 Fr. 653 **The First NB Ch. # 4214**  
Decent **Very Good-Fine** with clear signatures. (75-150)

- 2611 **Albany** - \$20.00 Ty. 1 **The First NB Ch. # 12867**  
An excessively rare note from the only bank to issue in this Collin County hamlet, now fast becoming a suburb of Dallas. We know of no other notes from here ever being offered at public sale prior to this example. **Fine-Very Fine**. (250-500)

2612 **Bailey** - \$10.00 Ty. 1 The First NB Ch. # 12741

The discovery note for both the bank and town. Bailey's sole national bank issued but a handful of small notes only and was unknown until this specimen turned up in a country auction in Brenham where the consignor, as he describes it, "waited all afternoon to get it bought." **Fine.**" (300-500)

2613 **Bellville** - \$20.00 Ty. 1 The First NB Ch. # 4241

Evenly circulated **Fine+** example from Brazos County. (75-150)

2616 **Clarksville** - \$20.00 Ty. 1 Red River NB Ch. # 13428

An excessively rare bank with two uncut sheets known, but, until the emergence of this note, not one other piece. With both sheets in very strong hands at present, this may well be the only opportunity the collector has to own a note from here, especially considering the miniscule issue this bank had. **Fine.** (300-500)

2617 **Claude** - \$20.00 1902 Fr. 650 The First NB Ch. # 7123

Only the second appearance of any note for sale from this rare Panhandle bank, the first coming (here we're showing our age a bit) on one of our fixed price lists in 1972. That example was a small size twenty, leaving this note as the sole large size specimen to be offered in over forty years. Nice **Fine+**, with good signatures, well worth a liberal bid. (350-700)

2618 **Corsicana** - \$50.00 1902 Date Back Fr. 668 The First NB Ch. # (S)3506

2627 Higgins - \$20.00 1902 Date Back Fr. 643 The Citizens NB Ch. # (\$8249

An incredible discovery note on this bank, hitherto unknown in large size. For a bank in business as long as this one was, it issued amazingly few notes. With only 940 sheets of blue seals as a total issue, and with only \$275 outstanding in 1935, it is likely that this example will be forever unique. Very Good, with a small stained area in the upper left of the portrait, otherwise unimpaired and worthy of a most liberal bid. (500-1000)

2632 Lubbock - \$10.00 Ty. 2 The Lubbock NB Ch. # 12683

Despite a decent size issue, this is an awfully tough bank from which to obtain a note. Fine, likely to be a most popular lot. (150-300)

Attractive **Fine** Red Seal, the first example of this type from West Virginia we've had to offer in any of our sales. (200-400)

- 2704 **Rowlesburg** - \$5.00 Ty. 1 **The Peoples NB Ch. #** 10250

First note we've had to offer from this obscure hamlet. **Fine +.** (75-125)

- 2705 **Sistersville** - \$10.00 1902 Fr. 632 **The Union NB Ch. # 5028**

As nice or nicer than the example from here which brought \$286 in our last sale. **Choice Crisp Uncirculated**, with very light signatures, a perfect note for a type or state set. (250-350)

## WISCONSIN

- 2706 **Baldwin** - \$20.00 Ty. 1 **The First NB Ch. # 10106**

A scarcer Wisconsin bank with only three public offerings in forty years, the last a large example in our January 1992 sale. **About Fine**. (100-200)

- 2707 **Blanchardville** - \$5.00 1902 Fr. 606 **The First NB Ch. # 11114**

A scarce town which was missing from the major Wisconsin collection we sold earlier this year. This bank had but \$780 outstanding in large notes in 1935, which might serve as some explanation for its absence. **Very Good**. (200-300)

- 2708 **Glenwood City** - \$5.00 1902 Fr. 606 **The Farmers NB Ch. # 11083**

One of the greatest Wisconsin notes we've had the pleasure of offering. Only three large notes are known from here, with only one on the market in recent years, the Snyder specimen (ex Amon Carter) which, although repaired and with a discolored reverse, brought \$650 at the 1990 Central States sale. This example is far higher grade and will likely bring a similarly strong figure. **Very Fine+**. (500-1000)

- 2709 **Grantsburg** - \$10.00 Ty. 1 **The First NB Ch. # 8444**

An exceedingly scarce note from this small western Wisconsin town. Missing from both our landmark offering last January and the Snyder collection sale of 1990, this example is likely to see some spirited bidding. **Very Good**. (150-300)

- 2710 **La Crosse** - \$10.00 1882 Fr. 487 **The NB of La Crosse Ch. # (M)5047**

Attractive **Fine-Very Fine**, with good signatures. (100-150)

- 2711 **Madison** - \$20.00 Ty. 1 **The First NB Ch. # 144**

Not a rare bank in the least, but high grade notes from this state capital are unaccountably hard to find. **Extremely Fine-About Uncirculated**, with much remaining crispness. (50-100)

- 2712 **Madison** - \$20.00 1902 Fr. 652 **The Commercial NB Ch. # 9153**

Decent **Fine+** state capital example. (50-100)

- 2713 **Manitowoc** - \$5.00 1902 Date Back Fr. 597 **The NB of Manitowoc Ch. # (M)4975**

Beautiful **Extremely Fine-About Uncirculated** serial number 1 example, with all of the brightness and flash of an uncirculated note. (500-1000)

- 2714 **Marion** - \$5.00 1902 Fr. 609 **The First NB Ch. # 12286**

A scarce bank which was not in the collection we offered last January. **Very Good**, with a few light stains. (125-250)

- 2715 **Milwaukee** - \$10.00 Ty. 1 **First Wisconsin NB Ch. # 64**

Attractive number one example from this low charter bank. **Extremely Fine-About Uncirculated**. (250-500)

- 2716 **Milwaukee** - \$20.00 Ty. 1 **First Wisconsin NB Ch. # 64**

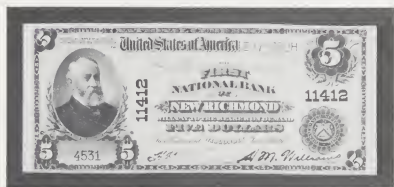

**Gem Crisp Uncirculated**. (60-90)

- 2717 **Milwaukee** - \$20.00 Ty. 1 **First Wisconsin NB Ch. # 64**

**Choice Crisp Uncirculated**. (50-80)

- 2718 Milwaukee - \$10.00 1882 Fr. 487 The First NB Ch. # 2715

The recharter of the original charter 64, which then reassumed the lower charter number in 1911. Brown Backs from here are really not common, with none being found in the massive Wisconsin offering we sold last January. Fine. (90-150)

- 2719 New Richmond - \$5.00 1902 Fr. 606 The First NB Ch. # 11412

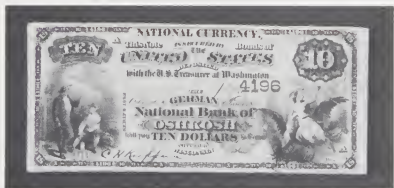

A very scarce note in large size. This example is the nicest we've seen from this one bank town. Very Fine+. (200-400)

- 2720 New Richmond - \$5.00 Ty. 1 The First NB Ch. # 11412

This Very Good+ example should bring a bit below the realization on the Fine specimen from here we sold in our January sale. (75-125)

- 2721 Oconto - \$10.00 1902 Fr. 633 The Citizens NB Ch. # 5521

Scarcer northern Wisconsin bank. Nice Fine. (100-150)

- 2722 Oshkosh - \$10.00 1882 Fr. 484 The German NB Ch. # 4196

The only example we have ever seen for sale from this excessively rare ethnic bank. Nice Fine, sure to be a most popular item. (250-500)

- 2723 Oshkosh - \$20.00 Ty. 1 First NB Ch. # 6604

Choice Crisp Uncirculated. (60-100)

- 2724 Ripon - \$5.00 1902 Date Back Fr. 593 The German NB Ch. # (M)4305

Good ethnic title on this pen signed About Fine example. (40-75)

- 2725 Shullsburg - \$10.00 1902 Fr. 626 The First NB Ch. # (M)4055

Nice pen signed Fine+ example. (100-200)

- 2726 High Grade Waukesha Pair

Waukesha - \$10.00, \$20.00 1902 Fr. 634, 660 The National Exchange Bank Ch. # 2647

An attractive duo, the \$10.00 Very Fine, the \$20.00 a bright and crispy Extremely Fine. (100-150)

- 2727 Wausau - \$5.00 Ty. 1 The First NB Ch. # 2820

Choice Crisp Uncirculated. (40-70)

- 2728 Wisconsin Rapids - \$10.00 Ty. 1 The Wood County NB Ch. # 4639

Crisp Uncirculated. (50-75)

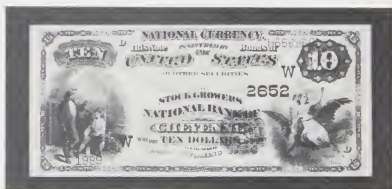

- 2729 Baraboo - \$10.00 Ty. 1 First NB & TC Ch. # 3609 F+

Brillion - \$10.00 Ty. 1 The First NB Ch. # 7224 VF-EF

Portage - \$5.00 Ty. 1 The First NB Ch. # 4234 Good-VG, tears

Three pieces. (75-125)

## WYOMING

- 2730 Cheyenne - \$10.00 1882 Date Back Fr. 545 The Stock Growers NB Ch. # (W)2652

Nice well margined Fine example of this rare Wyoming type. (500-900)

- 2731 Cheyenne - \$5.00 Ty. 2 The American NB Ch. # 11380

Scarcer type and denomination from Wyoming. Very Good-Fine. (75-150)

**To Make Room Reservations at the

1-800-289-8338  
and ask for the PCDA/PNG show rate.**

**2732 Cody - \$10.00 Ty. 2 The Shoshone NB Ch. # 8020**

A very scarce Wyoming small size note, with this being one of only two Type 2 examples reported to date from here. **Fine**, a sure bet to see some stiff competition. (300-600)

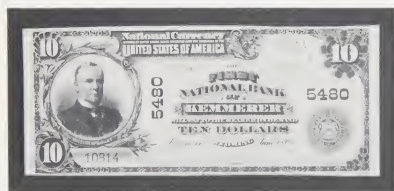

**2733 Douglas - \$10.00 Ty. 1 The Douglas NB Ch. # 8087**

Only bank to issue small notes from this location. Nice evenly circulated **Fine**. (200-400)

**2734 Green River - \$10.00 Ty. 1 First NB Ch. # 10698**

One of the nicest Green River notes we've seen. This is not a rare bank but every note offered from here sells at strong numbers. **Very Fine**. (200-300)

**2735 Kemmerer - \$10.00 1902 Fr. 633 The First NB Ch. # 5480**

A magnificent Wyoming note in the ultimate condition. **Choice Crisp Uncirculated**, a superb example fit for the finest collection. (1250-1750)

**2736 Sheridan - \$10.00 Ty. 1 The First NB Ch. # 4604**

A new note for the census. **Very Good-Fine**. (100-175)

**2737 Thermopolis - \$20.00 1902 Fr. 659 The First NB Ch. # (W)5949**

A classic Wyoming rarity. Of the three notes reported from this bank to date, two are listed as unknown serial numbers with the third last recorded some twenty years ago. We have no record of any note from this Thermopolis bank being publicly offered, and are pleased that at long last the many collectors of Wyoming notes will now have the opportunity to add a note from this bank to their holdings. **Very Good**, sure to see some serious bidding in the range of... (1000-1500)

# **SOCIETY OF PAPER MONEY COLLECTORS**

## **HISTORY**

At the 1960 A.N.A. Convention in Boston, a small group of paper money collectors met informally and agreed that a regular organization would be desirable. During the next year, an organization was formed comprising collectors of tokens, medals and obsolete paper money. At the 1961 Atlanta A.N.A. Convention, it was decided to withdraw from the tokens and medals group and organize separately into the Society of Paper Money Collectors. In June 1964, the Society was incorporated as a non-profit organization under the laws of the District of Columbia.

## **OBJECTIVES**

1. Encourage the collecting and study of paper money.
2. Cultivate fraternal collector relations with the opportunities for discussion, trading, etc.
3. Furnish information and knowledge from experts in various fields, particularly through the Society's Paper Money Magazine.
4. Encourage research and publication about paper money.
5. Promote interest in the hobby of numismatics.
6. Encourage educational exhibits about paper money.
7. Promote education about current market valuations.

## **MAGAZINE**

The Society's magazine, *PAPER MONEY*, is published six times a year and is sent to all members. It contains informative articles about various paper money collecting interests and lists new members and their collecting specialties.

## **BOOKS**

The Society maintains an active book publication program on the obsolete currency of various states.

## **MEETINGS**

The Society is affiliated with the American Numismatic Association and conducts a regional meeting at their annual convention. The Society holds meetings at other regional events and cosponsors a number of major paper money conventions each year.

## **MEMBERSHIP**

Anyone interested in supporting the objectives of the Society is eligible for membership. Applicants should be sponsored by a current member, or the Secretary will sponsor new applicants who provide suitable references, such as dealers with whom they have done business.

## **The Professional Currency Dealers Association STANDS FOR**

### **EXPERIENCE and INTEGRITY — the PRICELESS NUMISMATIC ASSETS**

While no one can deny that genuine bargains do exist in numismatics, the soundest route to consistently fair and equitable treatment is through a dealer whose integrity and experience have earned him the respect of his peers. In the field of rare paper money a sure sign of these qualities is the coveted logo of Professional Currency Dealers Association.

Not every dealer who aspires to membership in the Professional Currency Dealers Association will be successful. Only those who pass a rigorous examination of their knowledge, experience and business practices will gain admission to what is one of the most exclusive of the numismatic trade associations — the Professional Currency Dealers Association.

Whether buying or selling, be sure to look for the symbol which has become synonymous with fair treatment and full value — the logo of the Professional Currency Dealers Association. When you do business with a member of the Professional Currency Dealers Association you are secure in the knowledge that the recognized experience and integrity of the member dealer backs every transaction with the assurance only such qualities can bring — the assurance of consistently fair treatment and full value.
